2020 ANNUAL MEETING MINUTES

Election Day was Tuesday, March 10, 2020. Our Moderator, Ernest Vose declared the polls open at 7 a.m. Bob Breslend, our assistant Moderator opened the North Walpole polls at 7 a.m. This is the second year that polls have opened at 7 a.m. Voters appreciate the longer hours.

There were 2821 voters on the checklist, this includes the 22 voters that registered on Election Day. 975 ballots were cast and that includes the absentees.

Article 1 was voted on by official ballot. Polls were closed at 7 p.m., ballots were counted and the meeting was then adjourned until Saturday, March 14th at 1 P.M. at the Walpole Town Hall.

ARTICLE 1: To elect the necessary Town officers for their respective terms. Voted by ballot.

** Declared Elected**

Selectboard Member - three year term

(vote for not more than one)

Steven Dalessio 862**

Moderator - two year term

(vote for not more than one)

(vote for not more than two)

Jason Perron 831**
Jeffrey White 712**

Library Trustee – three year term

(vote for not more than three)

Tim Lester 388
Katherine Nerrie 567**
Kevin Switzer 258
Shirley Capron 451**
Susan Hubbard Johnson 608**

Trustee of Trust Funds - three year term

(vote for not more than one)

Robert Kimball 66**

Supervisor of Checklists - four year term

(vote for not more than one)

Cynthia Westover 899**

Cemetery Trustee - three year term

(vote for not more than one)

Dale Woodward 894**

Zoning Board - three year term

(vote for not more than one)

David Edkins 271 Ernest Vose 565**

Town Meeting was reconvened at 1:10 on Saturday, March 14^{th.} We started a few minutes late as citizens were still checking in.

Our Moderator, Ernest Vose brought the meeting to order at 1:10 p.m. he introduced Stan Hutchings and Janet Wilson who led us with the Star Spangled Banner.

Veterans were asked to stand and be recognized.

A moment of Silence for our 27 deceased citizens.

Congratulations to the parents of our 7 new citizens.

He then called for all our newly elected town officials to come forward and be sworn in. They were then asked to sign the oaths.

The head table was introduced, Selectboard, Steve Dalessio, Peggy Pschirrer, and Cheryl Mayberry. Sandy Smith, Town Clerk-Tax Collector, Megan Hansson, Deputy Town Clerk-Tax Collector, Sarah Downing, Manager of Administration and Rich Kreissle, Manager of Finance.

The Village Commissioners from North Walpole, Celeste Aumand, Melissa Colburn and Patrick Kiniry, who were not present. Supervisors of the check lists, Cynthia Westover, Tara Sad and Gary McCormack. Gary could not be here today, Bob Breslend the assistant moderator was standing in.

He introduced our State Representative Lucy Weber, County Commissioner Jack Wozmak, Police Chief Mike Paquette and Fire Chief Mark Houghton.

2020 ANNUAL MEETING MINUTES

The Moderator then explained the rules of the meeting. He will read all the articles. He explained about the necessary ballot votes.

ARTICLE 2: To see if the town will vote to raise and appropriate the sum of three million two hundred eighteen thousand five hundred sixty two dollars (\$3,218,562) for the purpose of furnishing, constructing and installing facilities and equipment to make available to residential and business locations in the Town of Walpole a "Fiber to the Premises" network by Consolidated Communications Enterprise Services, Inc. ("Consolidated"), with one million eight hundred fifty six thousand one hundred dollars (\$1,856,100) of such sum to be raised through the issuance of bonds or notes, under and in compliance with the Municipal Finance Act, RSA 33:1, et seq, as amended; and one million three hundred sixty two thousand four hundred sixty two dollars (\$1,362,462) of such sum as a donation from Consolidated; to authorize the Selectboard to apply for, obtain and accept federal, state or other aid, gifts and donations which may be available for said project and to comply with all laws applicable to said project; to authorize the Selectboard to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof and to authorize the Selectboard to take any other action or to pass any other vote relative thereto.

2/3 ballot vote required

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

Peggy Pschirrer introduced Paul Looney, the head of our Broad Band Committee, who spoke on this article. Consolidated Communications Vice President Rob Koester also answered questions.

The bucket was passed at 1:45 for our ballots and remained open until 2:45 at that time the ballots were counted.

We moved onto Article 3 while the polls remained open for one hour.

At 2:50 p.m. Cynthia Westover, supervisor of checklists brought the result over to the Moderator.

ARTICLE 2 PASSED 135 YES 02 NO

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of four million six hundred seventy nine thousand, eight hundred four dollars (\$4,679,804) which represents four million, fifteen thousand, five hundred forty four dollars (\$4,015,544) for the Town operating budget to be raised from general taxation; one hundred eighty eight thousand four hundred ninety eight dollars (\$188,498) for the Water Fund Operating Budget and four hundred seventy five thousand, seven hundred sixty two dollars (\$475,762) for the Sewer Operating Budget, which includes two hundred thirty thousand dollars (\$230,000) for bond assessments. Such sum does not include special or individual articles or bonds found in the warrant.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

Steve Dalessio spoke on this article.

ARTICLE 3 PASSED UNANIMOUSLY WITH A VOICE VOTE.

ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of two hundred thousand dollars (\$200,000) for updates, repairs and remodeling of Town buildings including the renovation of the Town Clerk's office, painting in Town Hall, repair of the Town Hall entrance walkway and replacement of the Reuse Center at the Recycling Center at \$75,000 with \$29,634.82 to come from insurance coverage. The said funds to come from the Unassigned Fund Balance.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

Cheryl Mayberry spoke on this article

ARTICLE 4 PASSED UNANIMOUSLY WITH A VOICE VOTE

2020 ANNUAL MEETING MINUTES

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of one hundred thirty thousand dollars (\$130,000) for the purchase of a truck for the Highway Department. The said funds will come from the Unassigned Fund Balance. This is a non-lapsing warrant article.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

Steve Dalessio spoke on this article and Mike Rau, our Road Agent spoke on the details and answered questions.

ARTICLE 5 PASSED UNANIMOUSLY WITH A VOICE VOTE

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of twenty five thousand dollars (\$25,000) to be deposited in the Town of Walpole Highway Capitol Reserve Fund Account. The said funds to be raised through general taxation.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

Steve Dalessio spoke on this article

ARTICLE 6 PASSED UNANIMOUSLY WITH A VOICE VOTE

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of thirty eight thousand dollars (\$38,000) for a vehicle for the Walpole Police Department and to authorize the issuance of not more than thirty eight thousand dollars through a promissory note with Mascoma Bank at a rate of 2.99% or the lowest available rate at the time of the purchase of the vehicle in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or other notes and to determine the rate of interest thereon. Further, to raise and appropriate the sum of thirteen thousand two hundred fifty- nine dollars and four cents (\$13,259.04) for the first year's payment. The said funds to be raised through general taxation.

2/3 ballot vote required

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

Peggy Pschirrer spoke on this article and then Chief Mike Paquette explained why we need the cruiser. This was a ballot vote.

ARTICLE 7 PASSED 97 YES 15 NO

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000) to purchase a cage, console, other necessary equipment and installation in the new police vehicle. This article is contingent upon passing of warrant article 7. The said funds to be raised through general taxation.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

We skipped over Article 8 as Article 7 needs to pass before we can vote on Article 8.

We returned to this article after we received the results of Article 7.

Peggy Pschirrer spoke on this article. Mike Paquette explained that some parts would not fit into the new cruiser, therefore it was needed.

ARTICLE 8 PASSED WITH A VOICE VOTE WITH A FEW NAYS

2020 ANNUAL MEETING MINUTES

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of \$39,000 for the purchase of six (6) Motorola Dual Band portable radios. This will also include the radio programming costs. (These are State of New Hampshire bid prices.) The said funds to be raised through taxation.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

Peggy Pschirrer spoke on Article 9 and Chief Mike Paguette spoke and answered a couple of guestions.

ARTICLE 9 PASSED WITH A VOICE VOTE WITH A FEW NAYS

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000) to be deposited in the Town of Walpole Police Department - Capitol Reserve Fund Account. The said funds to be raised through general taxation.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

Peggy Pschirrer spoke on this article, Mike Paquette also spoke on this article.

ARTICLE 10 PASSED UNANIMOUSLY WITH A VOICE VOTE

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000) for a study to determine the most economical approach to ensure the police station meets the needs of the Town. Said funds will be used to contract with an outside consultant, if necessary. The said funds will be raised through general taxation.

The Select Board recommends this article. (3 Yes, 0 No, 0 Abstain)

Steve Dalessio spoke on this article. Mike Paquette also spoke and answered questions.

ARTICLE 11 PASSED WITH A VOICE VOTE A FEW NAYS

ARTICLE 12: To see if the Town will vote to pass an ordinance banning the distribution or sale of thin-film single-use plastic bags (defined as a bag, typically with handles, with a thickness of 4.0 mils or less that is provided at the point of sale for the transport of purchased products) by retail establishments. This ban will go into effect twelve months after its creation to allow retail establishments time to adjust.

By petition of 25 or more eligible voters in the Town of Walpole, NH.

The Selectboard recommends this article. (0 Yes, 0 No, 3 Abstain)

Steve Dalessio recognized the effort that Sidney and Ruby put into this article they gathered 160 signatures!

Sidney Curven and Ruby Frithsen both spoke on this article and did a great job of explaining and answering questions.

Lucy Weber explained that there is a bill in the Legislature that is currently pending regarding plastic bags. This article if it passes can not be enforced at this time.

ARTICLE 12 PASSED WITH A VOICE VOTE WITH A FEW NOS

2020 ANNUAL MEETING MINUTES

ARTICLE 13: To see if the Town of Walpole will urge the Selectboard to write a letter to the Federal Energy Regulatory Commission require, via license article, the current and any subsequent owners of the Wilder, Bellows Falls and Vernon Dams to modify current dam operations to minimize peaking; provide for ongoing monitoring, to develop a shoreline adaptive management plan; and commit funding for riverbank restoration and/or property owner compensation to reimburse towns and landowners for any and all damages resulting from the deterioration of the riverbank.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

Peggy Pschirrer spoke on this article.

Steve Dalessio, on behalf of the Selectboard, presented our Moderator with a gift of appreciation and recognition of his many years of service.

Ernie received a standing ovation.

Moved and seconded to adjourn the meeting.

Ernest Vose, Moderator, permanently adjourned the meeting at 2:53 p.m.

Respectfully submitted,

Sandra J. Smith Town Clerk-Tax Collector

137 registered voters attended Town Meeting

STATE OF NEW HAMPSHIRE TOWN OF WALPOLE

Town Meeting - March 13, 2021

To the Inhabitants of the Town of Walpole qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall, 34 Elm Street, Town of Walpole, on **Tuesday, March 9, 2021** at 7:00 AM to act on **Articles 1- 17**. Articles 1, 2 and 3 will be voted on at the polls. Polls at the Walpole Town Hall and at North Walpole St. Peter's Church will be open at 7:00 AM and remain open until 7:00 pm. Following the closing of the polls and counting of the ballots, the meeting will be adjourned until **Saturday March 13, 2021 at 1:00 PM** at the **Walpole Elementary School Gymnasium** on Main Street, at which time the balance of the Articles will be acted upon

ARTICLE 1: To elect the necessary Town Officers for their respective terms.

ARTICLE 2: To see if the Town will vote in favor of continuing the combined office of Town Clerk/Tax collector? If the majority of those voting do not vote in favor of continuing the combined office, at the next annual Town meeting at which the election of the Town Clerk /Tax Collector is to be held (2024), the voters shall elect one individual as Town Clerk for three years and shall elect another as Tax Collector unless (Article 3) below passes.

The Selectboard recommends this article. (0 Yes, 3 No)

ARTICLE 3: If the majority do not vote in favor of continuing the combined office of Town Clerk/Tax Collector, to see if the town will vote in favor of discontinuing the election of Town Tax Collector and instead allow the Selectboard to appoint the Tax Collector for a one- year term? If approved the person holding the elected office of Tax Collector shall continue to hold office until the annual town election first following the discontinuance of the elected office at which time the elected office shall terminate.

The Selectboard recommends this article. (3 Yes, 0 No)

ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of four million, eight hundred seventeen thousand, eleven dollars (\$4,817,011) which represents four million, one hundred fifty-one thousand, one hundred seventy-seven dollars (\$4,151,177) for the Town Operating Budget to be raised from general taxation; one hundred eighty-nine thousand, two hundred sixty-five dollars (\$189,265) for the Water Fund Operating Budget and four hundred seventy-six thousand, five hundred sixty-nine dollars (\$476,569) for the Sewer Operating Budget which includes two hundred thirty thousand dollars (\$230,000) for bond assessments. Such sum does not include special or individual articles or bonds found in the warrant.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of two hundred thousand dollars (\$200,000) for repair and painting Town Hall, repair roof damage of Town Hall, repair and paint the ceiling on the second floor of Town Hall, renovate the library in North Walpole, repair the concrete in front of the Walpole Library and replace the water meter for the Town Pool. The said funds will come from the Unassigned Fund Balance.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

STATE OF NEW HAMPSHIRE TOWN OF WALPOLE

Town Meeting – March 13, 2021

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of two hundred thousand dollars (\$200,000) for the purchase of a one-ton truck for the Highway Department. Of the said funds, one hundred thousand dollars (\$100,000) to come from the Unassigned Fund Balance with the remaining one hundred thousand dollars (\$100,000) to come from unspent Highway Block Grant. This is a non-lapsing warrant article.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

ARTICLE 7: To see if the Town will raise and appropriate the sum of twenty-five thousand dollars (\$25,000) to be deposited in the Town of Walpole Highway Capital Reserve Fund Account. The said funds to be raised through general taxation.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

ARTICLE 8: To see if the Town will raise and appropriate the sum of sixty thousand dollars (\$60,000) for an addition to the Highway Garage which will include a fire monitoring system, an exhaust system and heat sensors for the whole building. The said funds to be raised through unassigned fund balance.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of thirty-five thousand dollars (\$35,000) for the purpose of paving an area of the Recycling Center to reduce mud and dust and installing a concrete pad near the compactor. The said funds to be raised through unassigned fund balance.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of thirty-eight thousand dollars (\$38,000) for a vehicle for the Walpole Police Department and to authorize the issuance of not more than thirty-eight thousand dollars through a promissory note with Mascoma Bank at a rate of 2.8% or the lowest available rate at the time of the purchase of the vehicle in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or other notes and to determine the rate of interest thereon. Further to raise and appropriate the sum of thirteen thousand two hundred twenty-five dollars and seventy-six cents (\$13,225.76) for the first year's payment. The said funds to be raised through general taxation.

3/5 ballot vote required

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollar (\$15,000) to purchase a cage, console, and other necessary equipment and installation in the new police vehicle. This article is contingent upon passing Warrant Article 10. The said funds to be raised through general taxation.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

STATE OF NEW HAMPSHIRE TOWN OF WALPOLE

Town Meeting - March 13, 2021

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollar (\$15,000) to be deposited in the Town of Walpole Police Department Capital Reserve Fund Account. The said funds to be raised through general taxation.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000) to replace the roof of the Pool House. The said funds to be raised through unassigned fund balance.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

ARTICLE 14: Are you in favor of adopting the ordinance entitled: Notice to Dog Owners which replaces the Dog Ordinance adopted in 1998. The replacement ordinance delineates all local rules and regulations regarding the ownership of dogs within the Town of Walpole as well as the penalties for failure to uphold the rules and regulations. A copy of the proposed ordinance may be found on the Town's website as well as the bulletin board in Town Hall. Copies are also available in Town Hall.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

ARTICLE 15: To see if the Town will vote to designate Old Drewsville Road as a Scenic Road (in accordance with RSA 231:157), and the Walpole Planning Board provide oversight as provided for in RSA 231:158. Old Drewsville Road (recorded as Hubbard Road in 1781), with its 3.052 miles from North Road to the Valley Road, epitomizes all that is Walpole. The paved and dirt sections traverse farmland, open bucolic vistas, and untouched woods. Along this road was the first golf course in town, an early reservoir, John Bellows Mill, and the site of an historic Indian raid in the Spring of 1755.

By petition of 25 or more eligible voters in the Town of Walpole, NH.

The Selectboard recommends this article. (0 Yes, 0 No, 3 Abstain)

STATE OF NEW HAMPSHIRE TOWN OF WALPOLE

Town Meeting – March 13, 2021

ARTICLE 16: We the town of Walpole hereby call upon our State and Federal elected representatives to enact carbon-pricing legislation to protect New Hampshire from the costs and environmental risks of continued climate inaction. To protect households, we support a Carbon Free and Dividend approach that charges fossil fuel producers for their carbon pollution and rebates the money collected to all residents on an equal basis. Enacting a Carbon Cash-Back program decreases long-term fossil fuel dependence, aids in the economic transition for energy consumers, and keeps local energy dollars in New Hampshire's economy. Carbon Cash-Back has been championed by US economists (Jan 17, 2019 WSJ) as the most effective and fair way to deliver rapid reductions in harmful carbon emissions at the scale required for our safety.

We expect our representatives to lead in this critical moment for the health and well-being of our citizens and for the protection of New Hampshire's natural resources upon which we all rely.

The record of the vote approving this article shall be transmitted by written notice to Walpole's State Legislators, to the Governor of New Hampshire, to Walpole's Congressional Delegation, and to the President of the United States, informing them of the instructions from their constituents, by Walpole's Select Board, within 30 days of this vote.

By petition of 25 or more eligible voters in the Town of Walpole, NH.

The Selectboard recommends this article. (0 Yes, 0 No, 3 Abstain)

ARTICLE 17: To transact any other business that may legally come before the meeting.

Given under our hand and seal this	4 ^h day of February, the year of c	our Lord Two Thousand Twenty-One

2021 WARRANT OF THE WALPOLE FIRE DISTRICT

To the inhabitants of the Walpole Fire District qualified to vote: You are hereby notified to meet at the Fire Station in Walpole, N.H. on Thursday, March 18, 2021 at 7:00 PM to act on the following articles: Please bring this report with you.

Article 1: To choose a Moderator for the ensuing year.

Article 2: To choose a Clerk, and a Treasurer, for a term of one year, and also one Commissioner for a term of three years.

Article 3: To hear the reports of the Chief, the Commissioners and any others having reports to make.

Article 4: To hear the report of the Treasurer.

Article 5: To see if the District will vote to raise and appropriate the sum of Three Hundred Twenty Thousand Nine Hundred Dollars (\$320,900.00) to operationally support the Fire Department and Ambulance Service for the ensuing year. (The Commissioners recommend this Article).

Article 6: To see if the District will vote to raise and appropriate the sum of One Hundred Seventy Five Thousand Dollars (\$175,000.00) to be deposited into the Heavy Equipment Truck Replacement Capital Reserve Fund previously established. (The Commissioners recommend this Article).

Article 7: To see if the District will vote to appropriate the sum of Three Hundred Twenty Five Thousand Dollars (\$325,000.00) to purchase one (1) ambulance and related equipment and authorize the withdrawal of Three Hundred Twenty Five Thousand Dollars (\$325,000.00) from the Heavy Equipment Truck Replacement Capital Reserve Fund created for that purpose. In the event that Article 6 is defeated, One Hundred Fifty Thousand Dollars (\$150,000.00) would be withdrawn from the Heavy Equipment Truck Replacement Capital Reserve Fund with One Hundred Seventy Five Thousand Dollars (\$175,000.00) to be raised by taxation. (The Commissioners recommend this Article).

Article 8: To see if the District will vote to raise and appropriate the sum of Two Hundred Thousand Dollars (\$200,000.00) to be deposited into the Building Renovation Capital Reserve Fund previously established. One Hundred Thousand (\$100,000.00) of the funds to be raised by taxation and One Hundred Thousand (\$100,000.00) of the funds to come from the unassigned fund balance. (The Commissioners recommend this Article).

Article 9: To see if the District will vote to sell an existing ambulance (existing ambulance). Proceeds from the sale will go into the District's general fund. This Article will be void if Article 7 fails. (The Commissioners recommend this Article).

Article I0: To see if the District will vote to authorize its Commissioners to borrow money on notes in anticipation of taxes.

Article I I: To transact any other business that may legally come before the meeting.

Respectfully: Walpole Fire District Commissioners

Ernest Vose

Sheldon Sawyer, Jr.

David Adams

WALPOLE FIRE AND E.M.S.

Where to begin...

Walpole Fire-EMS responded on a record setting 529 calls in 2020, most complicated by the COVID-19 pandemic that joined us locally in March. As the reality of the pandemic set in, we watched many residents develop a fear of calling 911 and delayed trips to healthcare, in hopes of avoiding the scenes playing out on the news in larger metropolitan areas. As people "sheltered in place" and businesses closed or went remote, the nature of calls shifted towards fire. With several responses to structure fires in the spring, even with the reduction in ambulance requests, our overall call volume remained the same.

The men and women of Walpole Fire-EMS, seemingly unaffected by the events unfolding across this nation, continued to adapt and provide emergency services without missing a beat. As the fear of health care subsided and COVID surged, ambulance calls once again dominated the picture. Protocols changed, every call was handled with extensive protective equipment including respirators, glasses and face shields that fogged with every breath. Every call required extensive cleaning and decontamination of the ambulance, our equipment and our personnel. This too was taken in stride. Meetings and trainings came to an end in-person and access to the fire station was limited to administrative duties and emergency response only. As one can imagine, this was quite a change in the way we "do business" but met with the same "we got this" attitude that has always made Walpole Fire-EMS shine.

As I type this annual report in January of 2021, I am pleased to say that the majority of our first responders have had at least the first dose of the vaccine, and many will be getting the second dose in the days to come. The support we have received from our community, local businesses and state partners has been overwhelming and appreciated beyond words.

As we move into 2021, we are awaiting an engine that was ordered last June to replace a 20-year-old engine, hopefully to arrive in March. The used ladder we have signed a purchase and sales agreement on is also due this spring. The board of officers has been obtaining bids to replace one of our ambulances, also now 20 years old.

Our building committee has been meeting by zoom with Michael Petrovick Architects and hope to have a building renovation design by years' end. The Walpole Fire Station is now 30-years old, and not only has our call volume grown by 500%, code requirements and the need to provide adequate decontamination areas for our providers, office space and increased space for our ambulance operations has placed a great need for this renovation.

We hope to resume CPR and community First Aid trainings later in 2021; this is another area that has felt the effects of the pandemic.

In closing, I would like to take this opportunity to thank all the members of Walpole Fire-EMS for always rising to the call for help. Never at a "convenient" time, and as this year taught us, never really knowing what might be facing us when we arrive. No call went unanswered by our members, which, by itself is unheard of in a time of diminishing call and volunteer departments around the country.

Respectfully Submitted,

Mark Houghton, Chief, EMD Walpole Fire-EMS

FOREST FIRE WARDEN

As we prepare for the 2021 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Walpole issues Fire Permits online at https://nhdflweb.sovsportsnet.net This is the preferred method for obtaining an outside burn permit but is only valid south of the Cold River. You may also contact the Fire Warden or Deputy Wardens at the Walpole Fire Station on Thursday evenings between 6:30 pm and 9:00 pm or Sunday mornings between 9:00 am and 11:00 am to obtain a permit or help with any questions.

Many thanks to everyone,

Richard Hurlburt, Warden

TOWN CLERK-TAX COLLECTOR

This is another year of change, quite a few new people in Walpole. We have not had a chance to really welcome them, as we all wear a mask!

Walpole is staying healthy!

People have paid their taxes and registered their vehicles by calling and making appointments. We only have one transaction in the entry at a time. During warm weather, I would have them wait in the shade under the tree at the end of our ramp. During rain it was a little more difficult.

Our residents have been wonderful during a very stressful year.

If you have any questions, please call our office 756-3514. We are here to assist you.

Property tax bills are semi-annual, usually the first billing is mailed the end of May and due July 1st.

The second billing date varies. The earliest due date would be December 1st. Please notify us of any address changes.

Dogs can be licensed any time after January 1st. Late fees will be charged in May.

I retire on December 31st! My deputy, Meghan Hansson will take my place until the March election.

Thank you to everyone for the "drive by". That was GREAT!

Thus Selectboard was the best! - Don't forget to vote for Peggy at the March election.

You will all be missed, but after 34 years, I am SO ready to retire!

Respectfully Submitted,

Sandra J. Smith, Town Clerk-Tax Collector

UTILITIES - WATER & WASTEWATER

Two thousand and twenty was a busy year for Walpole's utilities. Several improvements were made and major upgrades to valves and related mains were completed on Main Street, necessitated by a paving project by the Highway department. Some of the valves replaced had been leaking for years at the bottom of Prospect Hill, often causing ice to form in the intersection. Thanks to the Highway department for working with us so these tasks could be completed at the same time as their paving projects.

Treatment Plant upgrades in Bellows Falls have been a continuing challenge for the Wastewater system. With several million in bonds assumed by Bellows Falls, Walpole is responsible for a portion as outlined in our agreement. This portion is fairly based on usage and represents roughly 30% of the overall debt assumed with the upgrades. The Selectboard has revised the formula for applying this bond payment fairly across sewer users. Instead of the flat rate of \$90.00 previously adopted, effective with the first quarter billing of 2021, the bond fee will be based on usage. Customers using 500 c.f. or under will see a reduction in the bond fee to \$55.00 a quarter. Other users will see their bond assessment fee change each quarter based on their usage. For questions about the revised bond fee contact the Selectboard Office at 756-3672.

Walpole's waste water pump stations are feeling the effects of time. As we struggle to find the balance between financial constraints and the need for upgrades on the Walpole side of the river, repairs to our pumps are becoming an annual event. This is complicated by heavy use of "wet wipes" which are a growing problem for systems across this nation. These wipes often plug our pumps, destroy seals and greatly increase the wear on our already outdated systems. PLEASE do not flush wipes of any type. At the time of this report, the North Walpole pump station is operating off a temporary pump while one of the two permanent pumps is being rebuilt. The temporary pump has plugged 10 times in the last 30-days. This is not only costly; it's exhausting as often this happens in the middle of the night. Please do your part and help us keep costs down.

Frequently we are asked why we flush the fire hydrants. This is done for two reasons. First is to ensure that our hydrants, which are a vital part of fire protection for homes and businesses that are served by the water system, are functioning properly. Second and equally important, is our water quality. Much of Walpole's water system is served by water mains that are over a century old. System-wide flushing of these lines is commonly done twice a year and is performed in order to flush rust and sediment that builds up in these pipes over the course of time. When the system is being flushed, signs are posted by the Fire Station and on South Street, a notice is placed in the newspapers and on town bulletin boards. In addition, we place calls to homes and businesses that have requested phone notice, as well as send an email from the Town Hall for those that have signed up for this service. This is all due to the inevitable rust and low pressure that occurs when we are actively performing this necessary work.

Each year with the spring utility bills, we send a copy of the Consumer Confidence Report. This report is an informational mailing which is similar to the label on food and beverage products and contains information about our water system, the wells and their operation. If you have any questions or suggestions, please contact us through the Selectmen's Office at 603-756-3672. We are also working to grow an email list to contact customers in the event of an emergency; you can email us at water@walpolenh.us to be added to this list.

Respectfully Submitted,

Mark Houghton
Water and Sewer Director

SELECTBOARD

The year 2020 will forever be the year of the Pandemic which, alas, didn't exit December 31. 2019. Walpole did not experience large numbers of Covid in the first wave of the virus. The Town established safety guidelines and continue to function with only minor glitches after Governor Sununu's First Executive Order Declaring a State of Emergency was issued at approximately 5:59 pm on Friday, March 13, 2020.

There were voices that suggested we not hold our Annual Meeting, March 14, 2020, but the voices to go ahead prevailed and the Town had its largest turnout in several years. Town Meeting had already been opened on March 10 for the election of Town officials and other ballot items. The biggest issue on the agenda, Saturday, March 14, was whether to allow the Town to go to the bond market in July to buy a \$1,856,100 bond to allow us to contract with Consolidated Communications Inc., a rural based communications company, to install fiber optic or Broadband service in Walpole. That warrant passed with 135-2 in favor of buying the bond and adding the service to end the drought of good internet service.

The other item of note for public discussion was the petition generated warrant brought forward by two Fall Mountain High School enthusiastic environmentalists, Ruby Frithsen and Sidney Curven, to ban the distribution of or sale of thin-film single-use plastic bags. The measure passed handily.

Voters reelected Steve Dalessio to his third term of office and Jack Wozmak was elected to serve as Town Moderator, replacing Ernie Vose who served Walpole well for many years.

The Governor's Emergency Order was renewed and modified regularly over 2020 so that it defined our behavior as individuals as well as our management of local government. Town Offices closed to the Public because of Covid-19: no functions were scheduled for Town Hall; appointments were required if individuals needed to register a car, pay a water/sewer bill or taxes. Selectboard meetings went virtual on Zoom while Planning and Zoning meetings were suspended. The Library closed March 18.

All departments continued to function under new conditions; no employee was furloughed or suspended. Roads were paved and striped; a new Reuse Center opened.

By summer, the Selectboard was meeting in person again as were Planning, Zoning and Conservation Committees. Emergency Orders changed from Stay-at-Home order to Safer at Home. We felt we had dodged the proverbial bullet. However, townspeople were urged to continue to wear masks, socially distance and avoid large gatherings. The primary and general election were held with record turnouts of the voters in person and by mail-in-ballots.

CCI started immediately to string fiber optic cable along our sixty-eight miles of road. By December individual subscribers were being called to assent to bringing the lines to their houses. A project ably led by Dennis Marcom who has kept communications lines open between the Broadband Committee, CCI and townspeople.

Our red listed bridge, Houghton Brook, and our red listed dam, Reservoir, have both been the subject of many meetings between the Town, DES and Fuss and O'Neill, an engineering company hired by the Town to design solutions which will meet state specifications and the Town's financial ability to support those solutions. The Brownfields project continues apace, having the property fenced, more testing of soils and emptying the shed on the property. A contractor will be hired to start removing the soil this next spring.

As the fall progressed into winter, the number of Covid-19 cases in Walpole increased almost daily. The Selectboard resumed Zoom meetings and urged all Town committees to do the same.

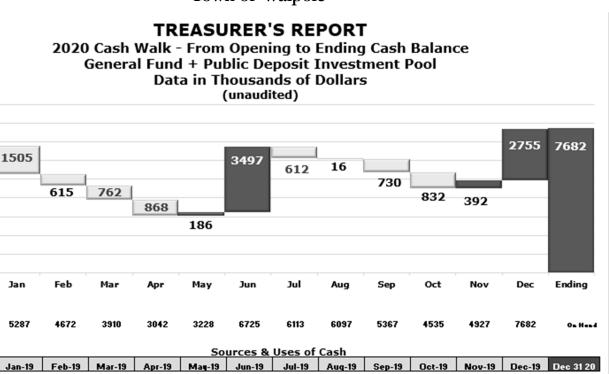

We closed the year saying good-bye to Sandy Smith who retired as Town Clerk/Tax Collector after 38 years of loyal, steady service to each and every Walpolean. We have said good-bye to 2020 as well, grateful that we are still strong as a community and caring for each individual, urging everyone to stay safe and stay well.

Respectfully Submitted by the Town of Walpole NH Selectboard,

Peggy L. Pschirrer, Chair

Cheryl Mayberry

Steven Dalessio

In 2020, the Town of Walpole's sources of cash totaled \$15.6M (Millions of Dollars). On the uses side, \$14.7M was disbursed. As noted in the table above, cash on hand at the end of 2020 was \$7,682K (Thousands of Dollars). The lowest balance during the calendar year was in April with a balance of \$3,042K. The cash spikes in June and December are primarily related to the biannual collection of property taxes which trends this way historically due to the tax collection schedule.

The Big Story in 2020: A Drastic Drop in Interest Rates & Interest Income

Unfortunately, interest income significantly decreased in 2020 vs 2019. The interest rate environment experienced a drastic decline. Fixed income accounts like PDIP, money market accounts, and CD's made very low rates. A good time to borrow money at historically low rates, but not a good year for fixed income savers. Higher balances were held in the Public Deposit Investment Pool (PDIP) in 2020 vs 2019, but the decreased rate of return resulted in significantly less interest income for the Town. As of 12/31/20, PDIP was paying only 2 basis points (bps) compared to 160 bps on 12/31/19. The annual average PDIP return for 2020 was only 63 bps. Therefore, I am very unhappy to report that interest income from all sources in 2020 totaled only \$28,204 vs \$85,782 in 2019. Over the past five years, interest income has increased from \$2,961 in 2016 to \$85,782 in 2019, but this year only totaled \$28,204 of which \$27,919 came from PDIP which was the biggest contributor to the decrease year-over-year due to the high balances the Town maintained. Although we took a big hit this year like all municipalities, the same processes were followed to optimize interest income. Many thanks to Rich Kreissle, Manager of Finance, for his collaboration in making this cash available to the Town. (Note: 100 bps equals one percentage point).

TREASURER

SUMMARY OF ACTIVITIES - continued

Savings Accounts

In addition to the General Fund and PDIP, the Town has funds in four Savings Accounts: Licenses & Fees, Water & Sewer, Police Revolving, and Recreation Revolving. As of 12/31/20, the combined total in these accounts was \$63,254 and earned \$115 in interest income.

Other Activities

- Provided financial guidance to the Selectboard and departmental staff as requested throughout the year.
- Continued to optimize interest income with the help of many by increasing the number of PDIP Accounts held by the Town.
- Arranged funding for the purchase of a fourth police cruiser at a very attractive municipal rate of 2.80%.

On behalf of the Office of the Town Treasurer, I want to also thank Margie Palmer, Deputy Treasurer, for her continued accuracy and quality of her work for the Town.

Compliance

The Office of the Town Treasurer is in full compliance with the duties of this position according to RSA 41:29 — Duties of Elected and Appointed Town Treasurers.

Respectfully Submitted,

Thomas Goins Town Treasurer

2020 FINANCIAL SUMMARY

Summary of 2020 Activity

The Operating Budget for 2020 was \$4,020,010. Actual expenditures for 2020 were \$3,789,279 (94.26%) for a difference of \$230,731. Budget expenditures continue to be monitored via monthly reports given to department managers for their review, enhancing their ability to manage their budgets. This has allowed for flexibility in meeting unanticipated financial needs of the Town as was the case in 2020. Two thousand and twenty's results continue a six-year trend of managers' closely monitoring their individual budgets and has allowed the Town to grow its Unassigned Fund Balance with the Department of Revenue Administration.

The Town continued to sweep excess cash into NHPDIP in order to secure its funds and to take advantage of earning meaningful interest on this excess cash. On a weekly basis I analyze the minimal weekly cash needs of the Town and request the Town's Treasurer, Tom Goins, to either have funds transferred from the Town's primary bank account to NHPDIP or vice versa. This is a seamless process adding no additional burden to the Town. In 2020, the Town earned close to \$28,000 in interest through NHPDIP

2021 Budget

The Selectboard started the budget process in September, 2020 and reflects several months of careful deliberation. The increase in the operating budget, 2021 versus 2020, is 3.26%. This is arrived at by subtracting out the 2020 warrant articles from the General Fund budget to arrive at the 2020 Operating Budget and comparing it to the 2021 Operating Budget. Please note that the increase in the budget, 2021 vs 2020 was 3.17%.

56.90% of the budget is comprised of wages, benefits and payroll taxes. Of this total, 63.92% comprises wages, 32.45% comprises benefits, and 3.93% comprises payroll taxes. The Selectboard continues to recommend a modest 2% pay increase for most employees. The Town's health insurance initially went up by 6.40% but did receive a return of a health insurance surplus. This allowed the Town to realize a net increase of 1.7%. Beginning on 7/1/21 the Town portion for NHRS increases from 11.17% to 14.06% for non-police employees (a 25.87% increase) and the Town portion for police officers goes from 28.43% to 33.88% (a 19.17% increase).

2020 CARES Funds

In response to the COVID pandemic, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was enacted on March 27, 2020 (\$2.2 trillion). Among the many provisions, citizens are probably most familiar with the \$1,200 stimulus payments that most in the U.S. received. Of particular interest to the finances of the Town was the provision to provide financial assistance to states and municipalities for ameliorating the effects of the pandemic. Of the \$339.8 billion for states and municipalities, New Hampshire received \$1.25 billion. This amount was allocated to cover a variety of legislative stipulated programs to assist with the state's approach to the pandemic. Walpole was allocated \$91,428 specifically to assist it in lessening the potential impact of COVID. This illustrates, in perhaps small way, how the actions occurring in Washington D.C. trickled down to our community.

2020 FINANCIAL SUMMARY- continued

Administered by the Governor's Office For Emergency Relief and Recovery (GOFERR), municipalities were given three opportunities to submit requests to draw from their allocated locality for reimbursements of costs incurred directly related to their COVID response and were not part of their operating budget as passed. As part of the submission process, documentation for these expenditures had to be included in the submissions and each item was reviewed and approved prior to the release of those funds for a given submission. Through a collaborative effort amongst the Board and department managers, Walpole was able to use 100% of the amount allocated. An example of the items that the money was spent include touchless faucets and towel dispensers for restroom facilities, plexiglass barriers in those locations where the public frequent to limit exposure for all parties, disinfectant supplies and tools, digital thermometers, technology to facilitate online meetings, and upgrades to facilities air filtration systems.

The CARES Act also provided municipalities with financial assistance for the Primary and General Elections that took place in 2020. This assistance was intended to assist municipalities with the additional costs resulting from the increase in their receiving absentee ballots. Finally, stipends were awarded to first responders as part of the CARES act in recognition of the additional hazards they faced in their roles as public safety officers during the outbreak of the pandemic.

For 2021, there is a proposal, as of this writing, for an additional \$1,9 trillion stimulus package before Congress. The details of this package are still being worked out. But according to reports \$350 billion would be allocated to states and municipalities. What the outcome of all this is and, should an amount for states and municipalities remain, how those funds are stipulated to be used remain to be seen. GOFERR did provide clear and timely guidance in 2020 and now, with this experience, they'll do the same in 2021.

The financial statements for the Town indicate that the Town is doing very well financially. Greater accountability has been established in the monitoring of budgets, expenditures have consistently been below budgeted, the Town has only minor debt obligations, and it continues to grow the Unassigned Fund Balance with the DRA. I seek to continually strengthen the fiscal controls in place to continue this trend and to continue the success of years past with the invaluable input of others. As in previous years, all concerned attempt to create a budget that meets the anticipated needs of the Town for the forthcoming year. This illustrates that all who are involved in the budgeting process are keenly aware of their role as stewards of taxpayers' money.

Respectfully Submitted,

Richard W. Kreissle Manager of Finance

POLICE DEPARTMENT

I would like to begin by thanking the Town of Walpole and all its citizens for having me as their Chief of Police for the past ten years. As many of you are aware, I will be retiring on March 31st, 2021. Over these past years, our agency has grown in many ways. We can thank our Selectboard and the citizens of this great town for that. I'm very proud of our department and its abilities to serve the public in the future.

Do to Covid-19, it was a challenging year for our department. We were required to make adjustments to the performance of our jobs. This was a difficult transition. However, our first priority remained keeping the public and officers safe as we responded to hundreds of public related calls throughout the year. I applaud my department for the selfless work they do every day.

I would also like to thank the citizens of our Town for their patience with the construction we all endured last year on our streets. As frustrating as it was, everyone was very kind and respectful to the officers in the streets.

As our country and community perseveres through Covid-19 and we get our children back to school, our goal is to restart the D.A.R.E program and provide another program for the class that missed it last year. I've always believed that it's important to provide this program and build a bond with the students and law enforcement.

The Town of Walpole is a great community and we will get through these tough times together.

Thank you for having me as Police Chief. I'm forever grateful.

Respectfully,

Chief Michael J. Paquette, II

HIGHWAY DEPARTMENT

I want to start off by saying thank you to the Walpole highway crew and express how appreciative I am of the hard work they have put in this past year. With COVID-19 changing the way we all conduct our daily lives, the highway crew has continued to be dedicated to the task at hand while following new and everchanging health and safety policies. Safety and wellbeing of our employees is number one priority. With that being said, some changes had to be made in order to maintain a healthy and safe work environment.

This past year, 4.5 miles of road were able to be paved, which does not seem like a lot. However, the process can be costly. In North Walpole, Maple Street was completely reconstructed which included new drainage, sidewalks and paved. In Walpole, Main Street was milled and paved. This was tricky task in a high traffic area. Thank you to the Walpole Police Department for helping in the processes of directing traffic on this project. Additionally, portions of Old Drewsville Road were reclaimed and paved as well as Sandhill Heights and Blanchard Brook Circle were paved.

In January, we welcomed a new member to the highway family. Truck driver, Kenneth Baldwin joins us with over 30 years of experience. In the year that Ken has been with us, his work ethic, dedication, and knowledge in the field has proven to be a great asset.

This past fall, the town was awarded the ARMS fund grant in the amount of \$250,000. This grant is to cover half of the estimated cost to replace the existing bridge on Wentworth Road over Houghton Brook. This bridge is currently red listed. Below is an article from the NHDES with a brief description of the project outline.

NHDES Awards \$2,942,022 to 16 Wetlands Protection and Stream Restoration Projects

The NHDES Aquatic Resource Mitigation (ARM) Fund Program has awarded a total of \$2,942,022 to 11 conservation and five stream restoration projects.

One example is a project in Walpole that will use ARM funds to replace a perched culvert on Houghton Brook that is a complete barrier to all aquatic animals. The 13-foot metal pipe is greatly undersized, which has caused a four-foot perch at the outlet with a large scour pool downstream. The current crossing is a flood hazard and hydrologic models show that it cannot convey the 100-year flood. The new crossing will be a <u>24-foot wide</u> span structure that will provide full passage for aquatic animals and will accommodate 100-year storm flows. The project will also benefit brook trout

by restoring access to upstream spawning and foraging habitat. Houghton Brook is within the Highest Ranked Habitat on the New Hampshire Fish and Game Department's Wildlife Action Plan and connects the Connecticut River to upstream Tier 1 and Tier 2 areas.

Respectfully,

Mike Rau Road Agent

RECYCLING CENTER

Twenty thousand and twenty (2020) was a "great" year for the Walpole Recycling and Reuse Center. We were able to keep our doors open to the public throughout the pandemic and expand our operation with the addition of the new Reuse Center. Walpole residents and out of town visitors abided by the mask wearing policies in place at the Recycling Center. In 2020, we saw a significant increase in attendance at the Recycling Center as many residents got both new and old projects done around the house.

With an insurance payment of \$29,134.82 credited to the Town of Walpole, the total cost of the new Reuse Center was \$46,000.00. In our first month reopening the Reuse Center, we generated more money than we used to make in a year at the old Reuse Center. Granted, there were many "reuse treasures" that had been stashed away for a long time, but business has been great for both the physical Reuse Center donations and financial donations to Fall Mountain Food Shelf and the Friends of Walpole Library. For the first time ever, the Reuse Center has been covered by volunteers with nearly 100% efficiency. We have a full slot of volunteers for months in advance, but we still have openings for anyone interested as some of our volunteers are covering double shifts. Contact Michael Nerrie [mnerrie@gmail.com] or myself [bhoy@walpolenh.us] if you are interested in volunteering at the Reuse Center. The Reuse Center and Recycling Center are a fun place to work and be social in this socially distant era.

Looking forward to 2021, we are hoping to recycle our products locally, reduce our carbon footprint, and provide a welcoming and fun environment for the public at Walpole Recycling and Reuse Center. Thank you for your support of Walpole recycling and reuse!!!

Sincerely,

Ben Hoy Walpole Recycling/Reuse Manager

TOWN LIBRARY

The year 2020 started out on a high note for the Walpole Town Library, also known as the Bridge Memorial Library. On January 3, 2020, the Trustees and guests dedicated the John and Carol Hubbard Community Room and the Ken Burns Reading Room. The next day, January 4, 2020, the library hosted an Open House for the community to celebrate the re-opening of the library after a successful renovation/ expansion of the building. Unfortunately, just a few months into the year, in mid-March, the library was forced to close due to the Covid-19 pandemic. During this time of closure, we continued to offer electronic resources, including downloadable e-Books, audiobooks and magazines through Overdrive. Thanks to a grant from the state, we were also able to offer a new service called Hoopla that allowed patrons to borrow eBooks, audiobooks, movies, TV shows, and music without any wait times. In order to increase access to these resources and other online databases such as Newsbank and Mango Languages, we encouraged patrons to sign up for library cards via email. Interlibrary Loan was not available at this time. As Covid cases in Walpole remained fairly low in the spring and summer, the library was able to gradually reopen following a phased plan created by the library director and Board of Trustees. Subsequent to the full reopening, Interlibrary Loan resumed in September. That all changed again later in the fall as holiday travel brought with it an increase in cases throughout Cheshire County, including in Walpole. At that point, it was decided to scale back once again to Express Browsing. This is still the case as I write this report, and I anticipate it will remain the case at least until the spring of 2021 as cases continue to increase.

In addition to the many changes in library services this past year, we had some staff changes as well. After successfully leading us through the renovation/expansion project, our director of five years, Justine Fafara, left at the end of July to take a new position as the Asst. Director of the Newport Public Library. The board hired a new director, Jane Malmberg, who started work on September 21st. Then, at the end of November, Fran Moses announced her retirement after 27 years of dedicated service. Fran greeted everyone with a friendly smile and provided excellent service to the library community. We all miss her sense of humor and can-do attitude and wish her the best. Her hours and responsibilities were taken on by existing staff in order to ensure a smooth transition with no disruption to service.

Due to the pandemic and the subsequent closures/changes to library programs and services, many of our traditional measures of library usage suffered this year. In 2020 we had 725 active card holders check out physical library materials (books, magazines, CD's, and DVD's) 14,104 times, a decrease of 40%. Visitors came to the library a total of 6,689 times, a decrease of 52%. Due to our inability to hold in-person programming for approximately 6 months out of the year, our program attendance was only 1,148 total, a decrease of 30% from last year's total of 3,894. Our Wi-Fi and computers were used in the library over 400 times combined. I do want to emphasize that there is good news to report as well. Our fabulous staff is to be congratulated on their creativity, flexibility and dedication to the community. Despite being closed to in-person services and programs for a large portion of the year, they worked tirelessly to promote and provide access to online resources and programs. Checkouts of eBooks, audiobooks and magazines through Overdrive increase 19% for a total of 6,615. Our Summer Reading Program was a success with 86 registered participants reading a total of 412 books!

Thanks to our fabulous youth services librarian, Julie Rios, who provided virtual story times via Facebook Live and a book club on YouTube, we had 689 attendees to our virtual programs this fall. Julie is also responsible for creating our popular library StoryWalk at Distant Hill Nature Trail. In addition, we boosted our passive programming; providing DIY activities for 299 children and adults, an increase of over 700% from last year!

Our website, www.walpoletownlibrary.org was visited 8,045 times, an increase of 67%. We currently have 673 Facebook followers, an increase of 35% and 388 email subscribers. If you would like to receive our twice weekly Newsletter featuring new books available at the library and a list of upcoming events, please email Julie at irios@walpoletownlibrary.org.

TOWN LIBRARY- continued

The North Walpole Branch of the library closed on March 18th as well, and that closure was followed by the retirement of the long-time librarian Rose Werden. Rose was very dedicated to the North Walpole community and served those patrons well, as evidenced by the regular visitors to the library. At present, the branch has not yet reopened. A committee was formed comprising the library director, several board members and selectboard member, Peggy Pschirrer, to determine the best course forward. After speaking with staff and community members, it was decided to work toward reopening the branch in 2021. In order to best serve the North Walpole community, it was decided that hours should be expanded, and include one evening a week to accommodate working citizens. Additionally, the library director recommended cataloguing of the books currently located in the library and creating a collection of materials for children and young adults, as well as adding audiobooks and DVD's. This is a big undertaking but library staff jumped right in to work and we are a third of the way through the project. The computers in the branch are quite old and will also be upgraded, along with the computers at the main library in keeping with the library's technology plan. Our hope is to open the branch as soon as it is safe to do so, which will depend upon the number of Covid cases going forward.

It is easy to contact us at the library and we appreciate suggestions/feedback. Our website can be located at www.walpoletownlibrary.org and has links to search our catalog, digital resources, and databases, as well as information about upcoming events. Jane Malmberg, the Library Director, can be reached at jmalmberg@walpoletownlibrary.org. You can also contact us by phone at (603) 756-9806.

I would like to conclude this report by expressing my sincere appreciation to all of the library staff, Board of Trustees, Friends of the Library, town staff, and library patrons, whose tireless support of the Walpole Town Library enable us to remain a friendly and welcoming center of community life. This is especially important during difficult times such as we have experienced this past year. I am excited for the future and look forward to seeing you all at the library in 2021!

Sincerely,

Jane Malmberg Library Director

RECREATION DEPARTMENT

Two thousand and twenty (2020) was a challenging year for many of us in not being able to participate in the various recreational activities we were accustomed to. While we look back at 2020, it was a year of changes and new processes, but together we found ways to make the year a good one.

In February, Justin Cassarino and the recreation department hosted the second every Daddy and Me Dance. The night was filled with laughter and fun. Many memories were captured that night by Love's Photography, music played by DJ Selena Garrison and delicious baked goods provided by Joanie Joan's. Thank you for helping to make some lifelong memories for our youth.

In March, the country started shutting down as the world entered a global COVID-19pandemic. Fortunately, that didn't deter the creativity of our recreation program. While many of our annual basketball and soccer clinics didn't happen, we offered a couple of community events such our World of Hearts challenge, Disney/Pixar Challenge, and Cards Tower Challenge. The recreation committee chose winners for each challenge and the winners were awarded a \$25 gift certificate from a local business.

Due to the pandemic, our parks were closed to the public in April and May. The pickleball courts were empty, the tennis court were closed and the basketballs didn't bounce. COVID-19 transmission concerns left us cancelling the area favorite

Walpole Summer Basketball League and our Adult Men's League. However, things turned around in June when we opened up the pickleball courts, tennis courts, and basketball courts with COVID-19 restrictions.

With lots of planning, the pool was opened on June 29th to many thankful residents. The pool season was much different than in years past with us opening later than usual with modified hours. We created block scheduling for swimming and created "pods" to help with social distancing. Even with all of the changes the pool season endured, the pool staff were excited to see familiar faces who came out to swim until we closed on August 28th.

July was a month of change as we transitioned the recreational leadership of Justin Cassarino to myself (Kraig Harlow). Justin served as our Rec Director for 7 years and has moved on to bigger and better things. Thank you Justin for your time, commitment and the many great memories you helped create in our community.

Fortunately, we were able to schedule a couple of sporting activities in July and September/October. In July, we hosted 5 basketball clinics and had kids from the surrounding areas participate. Parents were excited to see some sport activities pick up again.

In September, we offered an inhouse soccer program made up of local kids. Each team practiced once a week and scrimmaged on Saturdays and followed our COVID guidelines. It was great to see the kids having fun, parents cheering their kids on and a great group of volunteers stepping up so we could have a soccer season. Thank you to all of the companies who sponsored a team this year.

There are quite a few huge "thank you's" for the year. Thank you to our pool manager Stephanie Greene for running another successful year down at the pool. She did a fantastic job implementing all of our COVID-19 protocols which kept the pool safe and open all summer. The community is grateful to her and our summer staff's commitment to keeping our pool open this year.

RECREATION DEPARTMENT – continued

Thank you to Steve Dalessio for being instrumental in donating two picnic tables from Santa's Workshop in Unity, NH to Whitcomb Park. The new tables look fantastic down at the park and got great use this year.

Thank you to Diane Harty and the North Walpole Park Committee for the continued growth of the North Walpole Village Park. They have put a lot of time and commitment into making the park look beautiful. In July, a flag pole was donated and hoisted in a 4th of July ceremony. This fall Diane also organized an alternative to the fall together where families dropped off decorated scarecrows which were lined up along the park's iron fence for everyone to enjoy.

I, Kraig Harlow, took over in July coming in with a background in education and sports management. I am a graduate from Plymouth State University with a B.S in Sports Management. During my time at Plymouth, I interned at Claremont Community Center where I worked inside the recreation department and spent three years on the staff there. For the last four years I've been a paraprofessional at Unity Elementary School where I am also the Athletic Director and youth basketball and soccer coach. I have also been the Junior Varsity Boys Basketball Coach at Fall Mountain for the last three years.

Overall, this year was very challenging but we managed to make it a productive one with many COVID restrictions. We look forward to 2021 and finding some normalcy heading into the future.

Sincerely,

Kraig Harlow Walpole Recreation Director

FREDERICK H. HOOPER INSTITUTE

How shall I characterize this most unusual year as Hooper Institute director and educator? Words that come to mind are challenging, worrisome, and unprecedented. Two thousand and twenty also brought together support from our community and creative ways to continue to uphold our promise to educate the youth in Walpole in agriculture, soils, forestry, botany and the environmental sciences. We were presented with a very difficult challenge. When we could not be with our students and with our community, we turned around the barrier of what we could not do into what can we do? Here are both our accomplishments and challenges for 2020.

Last winter school programs for all grades included winter wildlife, tracking, the natural history of our region and their life cycles. We studied mammals and birds, trees, forests of the world, our local forests, forestry and wood products. Stories of maple sugaring and sap collecting were shared in March before schools were closed. We were able to teach some of our programs remotely but the new focus became the summer programs and the care, cultivation, harvest of the school gardens. Plus, Mrs. Whippie began to create numerous videos for our Facebook page that brought her lessons and observations alive. Reading storybooks aloud as well as watching the metamorphosis of a monarch butterfly were two highlights.

Once back in the fall, we were overjoyed to be with the students again either in person, in a hybrid class or eventually fully remote. Mrs. Whippie developed new ways to reach the younger students with complementary videos and at home extensions for the family to be part of. I was able to write new lessons along with crafts, hands on activities with homework for the middle school students to supplement the instruction I now did with the teachers in their remote classrooms.

Our schools are also home to gardens, the ultimate outdoor classrooms. We raised vegetables, flowers and herbs in 35 raised beds plus one high tunnel. Everything is done to support the programs we teach. The students helped in every way and

when we were remote, the cultivation and care of the gardens by staff continued. We raised produce for weekly distribution to local families in need plus donations were made weekly to the Fall Mt Food Shelf. They especially loved the bouquets of flowers and fresh herbs!

After-school early in the year, we presented a three part series called the "Beauty of Trees" with the Art after School program for grade school kids. This project integrated nature studies, art and our community! For adults, we had a local tree tour in Walpole village, a tracking and tree ID event at Distant Hill Gardens and our now annual wreath making at the Hooper Institute.

We were committed to having a summer high school work program for the students who were willing and the work sites that needed them. Masks on and safety protocol in place, we accepted nine students. They worked 750 hours over the summer at four different sites in town; Abenaki Springs, Malnati Dairy, Alyson's Orchard and the Walpole Recycling Center. Thank you mentors for your guidance and generosity. So many valuable lessons were learned.

FREDERICK H. HOOPER INSTITUTE - continued

The summer camp programs looked very different this year. We offered a pick up, take home version encouraging all to be outside and safely enjoy the town trails, river, farms and wildlife. "Eight Days: At Home Edition of Hooper Camps" for younger kids included classic camp materials plus crafts, scavenger hunts, songs and more. There were also links to how- to videos posted on our Facebook page. In case you missed the days, they included Moose Day, Soil Day, Dairy Day, Bird Day, Sheep Day, Pond Day, Spider Day and Tree Day. For the older campers, there was an "Independent Adventure Camp", featuring four local hikes, four crafts, four adventures with lots of guides and stories. And there was more. We offered for sale owl nest box kits designed especially for the Eastern screech owl. All materials were cut, prepped, packaged and donated by Steve Delassio. Thank you Steve!

This year, the Walpole Community Garden at the Hooper Institute had 19 members with 44 raised beds in their garden, two of which are for community harvest. Extra produce was donated locally and I have heard that goodwill flower bouquets were shared throughout town. This was so heartwarming in such a hard summer for so many.

Much gratitude goes out to the Friends of Hooper Institute, our board, Hooper Trustees, Scholarship Committee members, the teachers we work side by side with to teach our programs pre-K – 6th grade, the students themselves, the families, our program partners, the adults that attended our public programs, the mentors that hosted high school students in the summer work program and the many, many gardeners in the Walpole Community Garden that were so positive and absolutely beside themselves with joy to be able to garden during a pandemic. I would also like to thank our funders, underwriters, the Women of Walpole, Savings Bank of Walpole and Vital Communities. It literally does take a village to keep this project known as the

Hooper Institute open and thriving. Did you know this was our 90th year? With that in mind, I sign off with special appreciation to Becky Whippie in this her 20th year of being our much loved educator. Thank you, Mrs. Whippie.

Respectfully submitted,

Helen Dalbeck Executive Director

WELFARE DEPARTMENT

The Town of Walpole provides short-term emergency assistance to eligible individuals or families. If someone is seeking information on long term assistance programs such as Temporary Assistance To Needed Families (TANF), foster care, disability grants, Medicaid, nursing home care, elderly care, and the food stamp program you may contact the New Hampshire Department of Health and Human Services, Keene District Branch at (603) 357-3510 or on their website at http://www.dhhs.state.nh.us.

Any Walpole, Drewsville or North Walpole resident may apply for assistance. When a resident is in need of assistance, they are asked to stop by the Selectboard office and pick up an application. They may also contact the Welfare Director at (603) 504-5625 or at welfaredepartment@walpolenh.us and request an application be sent by email. Applications can also be found on the Town of Walpole website at www.walpolenh.us. The application has a cover sheet which outlines the procedures on filling out the application. Inside the application is a list of items that are needed to determine eligibility for the Town of Walpole Welfare. These items range from rent/mortgage statements, electric bills to proof of income and State of NH Assistance. Bank statements and various verification forms are also needed. Applications are returned to the Selectboard Office in person or mailed to the Town of Walpole Welfare Department, PO Box 729, Walpole, NH 03608. They are then reviewed by the Welfare Director. Calls are made to the applicants. Due to COVID, meetings are no longer be held in person but are done virtually if possible. Once determination of eligibility is made, payments go directly to landlords, electric companies, etc. Payments are never made directly to individuals. If an applicant is denied assistance, they are given the opportunity to appeal the decision by meeting with a Fair Hearing Board. If a client is not eligible there are other avenues besides Town Welfare that may be investigated. The Welfare Director assists the applicants by referring them to other agencies. The Walpole Welfare Department follows state and local guidelines; however, emergency help is available when deemed necessary in extenuating circumstances. All applications and information received is kept confidential.

As we changed the calendar to 2020, the Welfare Department remained a steady Department. I received and processed a normal amount of assistance applications from January to mid-March. In March, with the onset of the Coronavirus Pandemic, I predicted there to be a rise in cases due to businesses closing their doors, people losing their jobs and parents needing to stay at home with their children due to virtual learning. Immediately following the State of New Hampshire Stay At Home Order and the closing of non-essential business, I received an overwhelming amount of calls from landlords, concerned home owners and renters asking about Town welfare and how to apply for assistance. The Pandemic was a panic. Fortunately, most of the burden was taken off the Town to support all those in need as both the State of New Hampshire Employment Security and the Federal Unemployment Benefits were enough to assist our citizens through the pandemic. I assisted a few people virtually with their applications for unemployment compensation as they were unable to receive help from NH Employment Security. State offices were closed and wait times to speak with someone at the Office were extremely long.

In total, the Welfare Department received and processed 26 cases this year. Depending on the applicant's needs, I was able to refer several cases to other agencies for assistance; Southwest Community Services (SCS) and to the State of New Hampshire. Governor Chris Sununu authorized the allocation and expenditure of money from the CARES Act Coronavirus Relief Fund to support families or individuals in need of housing assistance as a result of COVID-19. Many citizens utilized that Covid-19 benefit.

2020 Welfare Department Expenses

WEL Food Assistance	\$	200.00
WEL Rental Assistance	\$	9,766.25
WEL Fuel Assistance	\$	929.36
WEL Electric Assistance	\$	0.00
WEL Prescription Assist	\$	0.00
WEL Burial Assistance	\$	5,610.00
2020 Total Assistance	\$1	6.505.61

I would like to say thank you to the Selectboard for their continued support and to the Selectboard Office staff for their continued assistance to myself and to the Welfare Department. May everyone have a safe and healthy 2021!

Respectfully, Janet Clough

TRUSTEES OF THE TRUST FUNDS

Report for the Year Ending 12/31/2020

The pages that follow contain summary M-9 reports for each of the Funds managed by the Town's Trustees of Trust Funds. Additional information on each Fund is on file in the Selectbord Office and is available for public inspection. At 2020 year-end, the Trustees of Trust Funds managed on behalf of various Town departments and entities, as follows:

TOTAL MARKET VALUE PRINCIPAL & INCOME	As set forth in the MS-9
Non-Expendable	\$ 6,579,465.76
Expendable	\$ 1,058,776.89
Capital Reserve	\$ 1,231,671.16
Total All Funds	\$ 8,869,913.81

As allowed under NH RSA 31:38-a, the Trustees have engaged an investment advisor, Cambridge Trust Company of New Hampshire, to assist with (a) prudent and advantageous investment decisions; (b) compliance with State law as to what investment vehicles are allowed or not allowed; and (c) preparation of the annual reports necessary to be filed with the State. According to unaudited information provided by Cambridge Trust, as of December 31, 2020 total returns based on market values were as follows:

Fund	1 Year, Return Net of Fees	3 Year, Return Net of Fees
Non-Expendable	6.51%	7.23%
Expendable	7.47%	7.74%
Capital Reserve	0.51%	1.55%

Respectfully Submitted,

Robert Kimball, 2023; Thomas Winmill, 2021; and, Karen Galloway, 2022

CONSERVATION COMMISSION

In December of 2019, the granite bench in this picture was installed at the Cranberry Meadow Preserve to honor the late Harold Putnam's contribution to the preservation and conservation on behalf of town lands.

The Commission's Town Forester, Alex Barrett of Long View Forest Contracting has completed rapid assessments of ten tracts of forested land owned by the Town of Walpole. In 2019, the Commission began identifying goals for each tract based on the assessment work. We will be reviewing the recommendations for future work during 2021.

Studies into the reconstruction of the Reservoir Dam and spillway culvert is on-going. Discussions regarding camping on Town properties is on-going. The commission hopes to prepare a brochure on the camping topic for the Selectboard to consider in 2021. Blazing of the Town property boundaries in on-going. Planning for a public forum on the Walker Road Gateway property (to be scheduled in the spring possibly) is on-going with a facilitator secured and the structure for the forum taking place.

At the beginning of 2020 there was quite a push by several people to plan tree planting events. Unfortunately, the pandemic put a damper on social and volunteer activities. We are hoping that 2021 brings much more knowledge about keeping safe and getting together, while masked and staying socially distant.

The Commission's Steven Dumont has spearheaded a Walpole trail sub-committee to discuss and report on trail maintenance activities. It's already been quite active and has generated more interest from volunteers! At the end of 2020, the Conservation Commission handed off existing trail mapping data to professional mapping technicians. We are very excited to share the final drafts with the community very soon.

I would like to thank the Town of Walpole for the opportunity to serve on the Conservation Commission and have an impact on preserving the rural character of Walpole for future generations.

Respectfully Submitted,

Alicia Flammia Chair

ZONING BOARD of ADJUSTMENT

This has been a year like no other. It began slowly with a simple request for an in-home business for a hair salon and a telephone call asking if the Town had an Airbnb ordinance. Airbnb is the popular brand name for the business of renting out rooms or homes for a short period of time. Also called short-term rentals, this topic had been discussed briefly in Board meetings because their increasing popularity has sometimes caused problems in some NH towns. This prompted the Board to agree to have Chair Jan Leclerc look into this matter by contacting the lawyers at the New Hampshire Municipal Association and also Walpole's Town counsel, Jeremy Hockensmith, who suggested the Town do something to address the issue in our ordinance "sooner than later." The Board began to research the subject in preparation of creating an ordinance for Walpole.

In February, Boggy Meadow Farm on River Road received approval for a variance for permission to place a mobile home in its barnyard for two employees in anticipation of milking 250 new heifers. In March, Board members wore masks and followed the six-foot rule of social distancing. They heard a proposal from the attorney for Ruggiero Processing Facility in the Industrial Park explaining that Ruggiero intended to install a modular building to monitor a new scale for truck weights and to add a septic system and well, but they believed that they did not need a new or revised Special Exception from the ZBA in order to do this. The Board postponed a decision regarding the proposal in order to obtain legal advice. At the same meeting, the Board granted an Expansion of a Non-conforming Use for the owner of the former American Legion building to add a porch.

Signage at the Walpole Creamery and a complaint about multiple signage and "feather flags" at a local gas station rounded out the March meeting. Actually, there were a total of six signs approved in the commercial district. In addition to the Walpole Creamery sign, there was one for an auto parts store and one for a CPA and wealth management business in North Meadow Plaza, one for a real estate office, and two replacement signs for Jake's store in the village.

After a two-month hiatus, meetings resumed virtually on the Zoom platform in June. At this meeting, and after obtaining legal advice from Walpole's town counsel, the Board resumed consideration of the proposal by Ruggiero Processing Facility. Because the Board's authority over this facility has been restricted by the Court, the Board voted to notify the Planning Board that no new or revised Special Exception was needed. The Board did ask the Planning Board to impose what conditions were allowed by the Court.

Remaining masked and socially distanced and having tables and chairs sanitized after every meeting, the Board resumed in-person public sessions in the Town Hall in July. The Board approved a handicap ramp on Middle Street for the Congregational Church and a Detached Accessory Dwelling Unit at Distant Hill on March Hill Road and handled a complaint about signage on Prospect Hill Road.

Throughout the year the Zoning Board members have been working on two zoning ordinance amendments. One concerns short-term rentals and the other concerns amending the sign ordinance to prohibit feather flags signs and allow temporary signs. The sign ordinance changes were suggested by the Selectboard as a way to facilitate their enforcement of the ordinance. Public hearings for these ordinance amendments were planned for December, but after another closure of the Town Hall they were postponed. Because public participation and input is a crucial part of making decisions to amend the Town Zoning Ordinance, and because virtual meetings make this participation difficult for many people, these topics will go on the agenda again when in-person meetings resume. We all welcome that time.

Respectfully Submitted,

Jan Galloway-Leclerc
Chair, Zoning Board of Adjustment

PLANNING BOARD

Walpoleans will never forget 2020. Because of a pandemic, the Town Hall was closed to weddings, Cub Scouts, Horse Thieves Society and other gatherings for most of the year. Appointments were required to register a car. Telephone calls were needed to visit someone in the Selectboard Office. Words like lock down, social distancing, masks became part of one's daily vocabulary. Yet the fabric and workings of our Town continued. As for the Walpole Planning Board, it has continued to do its work – to hold public hearings for site plans, lot line adjustments, subdivisions and voluntary mergers. Most meetings have been in person, a few have been email discussions with Board members agreeing on conditional permission until final approval could be made in-person hearings.

This year, Hubbard Farms constructed two much-needed additions to its hatchery on Upper Walpole Road. The former American Legion building on Main Street has had a reincarnation as a real estate office with a new porch and a couple of apartments upstairs. Property on upper Main Street has become permanent farmland owned by farmer John Yanyzn. At Pete's Stand, renovations and an additional building have made things easier for clientele to navigate. Three lots in Maplewood Circle are now two lots. And the Walpole Creamery created a more customer-friendly spot with tables and comfortable seating under a covered portico. According to its owner, ice cream consumption in Walpole doubled during the pandemic.

In other business, Laura Madden on Hayes Road received an okay for a subdivision and Ruggiero Processing Facility received permission for a modular office with a new scale to weigh incoming trucks. The parking lot next to Walpole's pool, tennis and basketball courts and recreation area has been officially annexed to the Walpole park.

The Planning Board completed updating three sections of the Master Plan: Implementation Plan (Goals, Objectives and Actions), Population and Housing Analysis and Transportation Chapter.

Finally, the Planning Board lost two long-term members. James Aldrich died unexpectedly in April. A native Walpolean, Mr. Aldrich had an encyclopedic knowledge of Walpole's last 60-plus years and was a great help when Walpole's past was important to making a decision. Engineer Jeffrey White was furloughed from his job with a local company and is now working in Lebanon. His knowledge of engineering principles were always associated with his on-target questions. We miss them both.

Respectfully submitted,

Jeffrey Miller Chair Walpole Planning Board

CEMETERY TRUSTEES

Walpole Cemeteries: Village Cemetery, Old Cemetery, New Cemetery, Carpenter Hill Cemetery, and Drewsville Cemetery

Trustees: Linda Edkins; John Sheldon; Dale Woodward, Chair

The Trustees are responsible for preparation and administration of the budget, for the care of the five Walpole Cemeteries, care of the grounds, supervising contracted services, restoration of monuments, and maintaining cemetery records.

This year we held our meetings in the cemetery or through email correspondence. We completed our walking tour in the spring of each of the cemeteries to identify monuments in need of repair and any grounds care issues.

Jerod Walters of Tip Top Landscaping was hired in 2020 to take care of the cemetery grounds. We have been very pleased with their performance. Jerod has managed to complete a lot of the brushing throughout the Village and Old Cemeteries that needed to be done, as well as keeping up with the mowing, hedge trimming and leaf cleanup. The east side of the Old Cemetery that was overtaken by bittersweet and briars is cleared and under a regular care. The roadway on the east and south sides has been cleared and is easily passable. Our thanks go to Jerod for the excellent job he has done for the cemeteries.

This year we had only ten monuments that were in need of resetting. This allowed us to start work on the 'tippers and leaners' in the Old Cemetery, while staying within the budget for restorations. This is the second year we have used Keene Monument Services. We have been pleased with their work.

The Cemetery Trustees would like to extend our appreciation to the Selectboard, the Highway Department when called upon, and the Town Hall staff for their support.

Respectfully submitted for the Trustees

Dale Woodward Trustee Chair

WALPOLE PLAYERS

The Walpole Players started the year off with a murder mystery dinner theater in February. Murder On the Vine, written by the Players' own Jeanie Levesque, played to a full house for two nights in Saint John's newly-renovated Parish Hall, and was great fun for audience members and actors alike. Members of Saint John's Episcopal Church cooked a delicious Italian meal, and local middle and high school students were our servers. The money raised from this production was divided between the Players and the church to help offset the cost of the renovations to the Parish Hall.

As soon as we finished one production it was in to the next, and rehearsals for our annual Cabin Fever Radio Follies began in earnest. Sadly, because of the seriousness of the COVID-19 virus, we made the decision to cancel the show with just two days to go. Tickets were refunded and the stage went dark. Then more bad news—Old Home Days was cancelled and along with it our next play.

To make up for some of what we had to miss, when spring was turning into summer and it was possible to hold outdoor gatherings, we began doing informal weekly script readings on the Common where we could socially distance. Each week, more people came, so we found a script we thought everyone would enjoy and could be easily performed outdoors for the community. We purchased a new microphone system to be sure the actors could be heard in that setting, and in September we presented Oscar Wilde's The Importance of Being Earnest to a "full house" on the Common. This production turned out to be a great way to end our year.

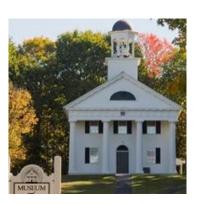

It was a challenging year for The Walpole Players as it was for everyone, as the threat of COVID-19 became a reality and we found ourselves having

to cancel all but one of our four planned productions for the year. We look forward to welcoming everyone back to the Helen Miller Theater when the time is right. Until then, look for the Walpole Players to return to the Common when weather permits!

-LISA BRYAN

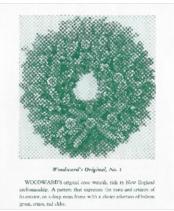

32 Main Street P.O. Box 292 Walpole, NH 03608 603-756-3449 www.walpolehistory.com

The Walpole Historical Society is an entirely volunteer organization which welcomes everyone who would like to participate in our activities. The Historical Society has worked since 1930 to collect, preserve, and communicate the heritage of our community.

As it has been for everyone, 2020 has been an unusual year for the Walpole Historical Society. Our regular schedule of Speaker Series evenings in the Walpole Town Hall was curtailed in March 2020. Our building did not open for public exhibits in the summer. Instead, we began weekly email communications in April 2020 - "The Walpole Heritage Museum comes to you" - sharing stories, photos, and news of our collections.

In addition, work on the exterior and interior of our beautiful historic building, which houses our museum, has been safely ongoing since the spring of 2020.

We have high hopes of re-opening the museum and resuming the Speaker Series evenings in 2021, as public health regulations allow. The Walpole Historical Society will again invite volunteers to participate in all we do: creating exhibits, selecting speakers, working in the archives, acting as a docent, helping in the shop, maintaining our buildings and grounds. We welcome your support, your membership, your volunteer time, and your suggestions.

Please visit us at www.walpolehistory.com for updated information. Subscribe to our "Walpole Heritage Museum comes to you" emails at newsletter@walpolehistory.com.

WOMEN of WALPOLE

The Women of Walpole started off the year with great excitement in preparation for 2020. On February 25, 2020 we held our annual Mardi Gras fundraiser and entertained 151 at Town Hall with a delicious Creole meal and plenty of socializing and dancing. The event raised \$4,000 for our worthy causes. Shortly after this event, Covid-19 curtailed all our activities.

Despite quarantines and social distancing, the Women of Walpole stayed busy. WOW has held several Zoom meetings and in September and October met outside on the Common. We welcomed many new members in the fall. Membership stands at 44 as of the end of 2020.

At our annual meeting in June, Andrea Goins, our Chairwoman for the past 5 years, passed the gavel to Nancy Lightner and Susan Johnson as new co-chairs. Robin Sanctuary joined the board as secretary replacing Beth Colley. We thank Andrea and Beth for their hard work and leadership and are ever so glad they will still be active members! Susan Howard remains our Treasurer and Worthy Causes chairperson and Loribeth Robare our Vice-President and chair of our enrichment committee.

The Worthy Causes committee has been busy supporting many organizations around Town. In June, we congratulated two graduates of New England Kurn Hattin Homes with gift cards to assist their shopping for high school. Throughout the year we have supported Fall Mountain Friendly Meals, the Fall Mountain Food Shelf, the Hooper Institute, the Walpole Village School, Distant Hills Nature Trail, the Giving Tree Project, Christmas wreathes for Town Hall, tabletop Christmas trees for Walpole Meals on Wheels recipients, and numerous small contributions to individuals and families. WOW also supplied Pack n' Plays to new mothers.

As we look forward to 2021 we realize it may be several months before we can meet again in person. We do, however, hope to gather via Zoom and are planning several programs for the upcoming months. At this time we are unable to hold our annual Mardi Gras event but will be planning other ways to fundraise and support our Town.

WOW meets once a month from September through May. In addition to our annual fundraising event, WOW members enjoy opportunities for enrichment, education and friendship with other Walpole women. Women of Walpole is open to any woman living or working in Walpole. Yearly dues are \$35. For more information, contact Nancy Lightner at 978-771-5266 or Susan Johnson at 603-313-4018. Look for us on Facebook and in the Walpole Clarion.

WALPOLE COMMUNITY GRANGE

The Walpole Grange #125 has had an ongoing presence in Walpole since 1887. We meet on the third Tuesday of every month at 7:30 pm at the Town Hall. At the moment, we are meeting via Zoom at 7pm.

The National Grange was founded on December 4, 1867 to promote the social, cultural, economic, educational and political interest of America's farm families and rural communities. It was the first organization to give women equal voice, vote and rights with men to hold office (1867), more than 50 years before the passage of Universal Suffrage. Your everyday life is affected by the legacy of the Grange. The legacy of the Grange's advocacy includes successful formation of farm supply, electricity and telephone cooperatives, credit unions and mutual insurance companies to serve rural communities as well as lobbying local, state and national governments on issues of concern to rural Americans. If you appreciate Rural Free Mail Delivery, real electrification, rural telephone and internet service, the Interstate Highway System, the NH State Police, and the University of New Hampshire Agricultural Extension Services you have benefitted from the results of the Grange's advocacy for the rights of rural citizens.

This past year, 2020, we had to put a hold on some of our community activities, But, despite Covid-19, Walpole Community Grange continued its efforts to reach beyond its traditional farming roots to include individuals from all walks of life interested in the community they live in.

We were still able to provide:

- Annual Harvest Dinner, in takeout style. Our dinner raises funds to benefit local youth programs, thanks to the support of the community.
- Annual \$500 college scholarship to a local graduating high school senior who is pursuing advanced education in the field of agriculture was awarded.
- Feeding Walpole poll workers during the four elections for 2020.

We are hopeful and looking forward to when we can return to doing our usual community activities, such as:

- Awards Night: We honor outstanding examples of public service in our community.
- Coffee with a Cop or Fireman
- Meet the Walpole Candidates Night for Town and school district office via Zoom

In October 2020, our Walpole Community Grange was honored to have Robert Trombi, one of our members, elected to President of the New Hampshire State Grange.

If you would like more information about the National Grange or New Hampshire State Grange, check out these two websites: www.nationalgrange.org and www.nhgrange.org. For more information on Walpole Grange #125, please contact President Adam Terrell at 603-903-4113 or email c.ssquirrl@gmail.com

We are always looking for new members who share our interests in helping Walpole and our community.

Adam Terrell, Master Walpole Grange #125

WALPOLE SENIORS

The Senior Group started in 1973 with nine ladies present with the focus on food, social interaction and education. It is a great idea that has been continued for over 45 years by Walpole senior citizens.

Since the coronavirus pandemic took over our lifestyle, the Walpole Senior Citizens group has not met since March of last year. With the closing of the First Congregational Church and the Walpole Town Hall, it presented a problem of where could we meet and follow the rules of social distancing. It seemed the best thing to do was just take a break from meeting until it is safer to be gathering together for food, fun, entertainment and fellowship. When the time comes when we can meet again, the Clarion will let us know when and where. In the meantime, start practicing some new recipes in anticipation.

Respectfully Submitted,

Gwendolyn Yardley Secretary

HOME HEALTHCARE HOSPICE & COMMUNITY SERVICES

Services Offered

In 2020, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Walpole. HCS clinical and support staff continued to make home visits in appropriate personal protective equipment (PPE) to ensure the safety of patients while assisting their recovery at home. The following information represents HCS's activities in Walpole during the past twelve months.

Services Provided

Service Report

Hospice care and adult medical day care services are available to residents. We are also offering the Kinship Navigator program this year to support grandparents who are parenting grandchildren.

Financial Report

The actual cost of all services provided in 2020 with all funding sources is \$425,841.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your Town.

For information about services, residents may call (603) 352-2253 or visit www.HCSservices.org

Thank you for your support of home care services.

Sincerely,

Susan Ashworth
Director of Community Relations

BELLOWS FALL AREA SENIOR CENTER & MEALS ON WHEELS

Right now, we're doing everything possible to sustain daily operations and provide services to our community. While there is a lot of uncertainty, we know that we need to adapt fast to our changing reality. Two thousand and twenty started out strong. We were averaging 41 Meals-on-Wheels and 33 congregate meals daily, translating into 5,500+ meals for the first quarter of the year. Volunteers in that time donated over 1,450 hours across a number of activities and programs. Due to the global pandemic, the center shut its doors to the public on March 17, 2020. Although we were unable to offer social activities during that time, the demand for Meals on Wheels more than doubled. By the end of March, we were averaging 85 meals a day while also providing meals for other towns who found themselves in need of a food service provider.

Improvements to the center this year include a new exterior front entry roof, with additional roofing work to be done to the side entrance. The kitchen door and frame were completely replaced and an entire upgraded phone system was installed. We were fortunate to acquire a complete circuit gym with over a dozen pieces of low impact equipment for our members to use at no charge.

The center partially reopened on October 5th, allowing us to resume as many group activities as social distancing will allow in our space. Six Bone Builders courses per week taught by GMRSVP volunteers, two Tai Chi for Fall Prevention classes, Knit and Stitch and Chair Caning. We are also in the process of starting a Walk with Ease course in conjunction with the Arthritis Foundation. Prior to the shutdown, we held various nutritional and Medicare presentations, special day trips, birthday celebrations and well attended holiday luncheons.

Major fundraising efforts included the Holiday Bazaar and the Annual Appeal Letter. Unfortunately, we were unable to hold our yearly Jamboree and will have to cancel our Holiday Bazaar for this year (2020). It will be a financially challenging year for the center.

Because of your generosity and ongoing support, the center is able to continue its mission of serving our senior community.

With appreciation,

Teagen Kosut
Executive Director

COLD RIVER LOCAL ADVISORY COMMITTEE

The Cold River Local Advisory Committee (CRLAC) functions to advise the towns of Acworth, Alstead, Langdon, Lempster, and Walpole, New Hampshire on the protection and enhancement of the Cold River and its tributaries and maintenance of the health of the river environment

Activities during 2020 included:

- MEMBERSHIP: Beverly Mason from Acworth joined our committee. Shawn Broeder-Stevens from Alstead is no longer a member
- ORGANIZATION: Dick Aiken was elected Chairman of CRLAC. Fred Ernst has become Secretary.
- ACTIVITIES: Committee activities were suspended over COVID-19 concerns although we remain available for virtual comment on wetland permits and other advisory functions.

Respectfully Submitted,

Beverly Mason (Acworth), Dick Aiken (Chair), Mitch Harrison (Alstead), Fred Ernst, Sam Loch, Gary Speed (Walpole)

CRJC WANTASTIQUET SUBCOMMITTEE

The Wantastiquet Subcommittee of the Connecticut River Joint Commissions (CRJC) meets every two months and consists of up to two volunteers nominated by participating municipalities, with allowance for alternates. Since March 2020, the Subcommittee has met via video conference call and continues to do while state emergency orders are active due to the COVID-19 pandemic. Current members of Vermont are Kathy Urffer and Michael Fairchild from Brattleboro, Daniel Marx from Dummerston, Andy White from Vernon, Paul Harlow and Jim Calchera from Westminster, and openings in Putney. Current members of New Hampshire are Roland Volbehr from Chesterfield, Mike Darcy from Hinsdale, Samantha Loch from Walpole, and Perry Sawyer from Westmoreland. Those with one representative have an opening for a second volunteer.

The Subcommittee provides a local voice to help steward the resources on or affecting a portion of the Connecticut River, particularly on topics related to the maintenance of good water quality and wildlife habitat. Meeting and events are open to the public. The Subcommittee is one of five that make up the Connecticut River Joint Commissions since 1989. Specific responsibilities include providing feedback to NH Department of Environmental Services, VT Agency of Natural Resources and municipalities on matters pertaining to the river; reviewing and commenting on proposed permits and plans; and maintaining a corridor management plan.

The Subcommittee stayed up to date and commented on a number of issues including Vermont basin management plans, changes to the NH wetlands permitting process, CRJC strategic plan, and Hinsdale Brattleboro Existing Bridges Subcommittee. The Subcommittee reviewed and commented on a series of permits including NH119 Hinsdale bridge maintenance, boat dock in West Chesterfield, and river restoration in Walpole. Letters were submitted, including comments on an improved boat launch, educational signage, culvert replacement, and boat washing station. The Subcommittee enacted a water quality monitoring pilot at five sites along the Connecticut River this past summer 2020 with hopes to continue in 2021. The subcommittee welcomes resident participation in the monitoring that takes place one day per month. Members discussed an increase of river users this past year and local efforts to improve emergency services access to the river. Members vocalized interest in bolstering LRS review of VT permits.

If you or someone in your community is interested in learning about or contributing to river management for the watershed, including serving as a liaison to the Wantastiquet Subcommittee or helping with water quality monitoring, please contact our staff support Olivia Uyizeye at ouyizeye@uvlsrpc.org or visit our website at www.crjc.org to learn more.

CONNECTICUT RIVER JOINT COMMISSIONS

Connecticut River Joint Commissions (CRJC) 10 Water Street, Suite 225 Lebanon, NH 03766 (603) 727-9484 http://www.crjc.org

CRJC continues its mission to preserve the visual and ecological integrity and working landscape of the Connecticut River Valley. With five local subcommittees and over 100 volunteers, CRJC is guiding the watershed's growth by reviewing and commenting on hydro-electric dam relicensing, regulatory proposals, shoreland protection, and initiatives on clean water.

CRJC continues to bring policy makers from both states and the public together to keep them abreast of the issues facing the Connecticut River Watershed. This year CRJC engaged with the "Rails-to-Trails Conservancy" who envisions a connected trail network of roads and highways throughout northern New England. There are 60 miles along the Connecticut River in both New Hampshire and Vermont that the Conservancy believes might be identified as part of a trails network.

CRJC completed a Strategic Plan 2020-2025 which builds on over 30 years of experience in engaging communities in the Connecticut River Valley of Vermont and New Hampshire in a "shared commitment to safeguard a good place and a good life." (Connecticut River Corridor Management Plan, 1997)

The CRJC is a quasi-governmental organization composed of Governor-appointed and designated Commissioners from Vermont and New Hampshire, and the parent organization to five Local River Subcommittees. They may represent different interests, but are united in a shared regard of the Connecticut River, the surrounding landscape, and the ecosystem as a whole. Together, they identify and pursue collaborative efforts that safeguard the Valley.

We anticipate the Connecticut River Valley will see substantial growth related to migration from metropolitan areas to our east and south driven by climate change and sea level rise, as well as the current pandemic. The need for facilitated cooperation and coordination between the two states on development within the watershed will only increase. The actions proposed in this plan leverage the group's strongest assets: the passion and commitment of the volunteer members and Commissioners, and its statutorily-enabled purpose and connection to state government.

In the short term, these strategic leverage points will build internal capacity to help sustain the organization. Over time and amidst those global challenges, the CRJC intends to continue serving communities of the Valley by helping to guide the growth and development in a way that conserves landscape integrity and stewards the use of its natural resources. The CRJC is well-situated to play a convening and advocating role, and understands that this work is most effective in partnership with existing organizations and initiatives. The CRJC values connection, advocacy, and mutual support, and is therefore dedicated to elevating collective efforts and collaborating with like-minded partners.

A copy of the full plan can be viewed or downloaded here: http://www.crjc.org/wp-content/uploads/2020/09/CRJC StrategicPlan FINAL.pdf

CRJC gratefully acknowledges the assistance of the New Hampshire Charitable Foundation to complete the strategic plan and the facilitation of Emily Davis of Brattleboro, Vermont.

The current Executive Committee of the Joint Commissions are; Lionel Chute, President (NH); Christopher Campany, Vice President (VT); Jennifer Griffin, Treasurer (NH); Jason Rasmussen, Secretary (VT); Ken Hastings, (NH); Marie Caduto (VT); and Steven Lembke, Immediate Past President (VT). The Commission currently has several openings available for residents of both New Hampshire and Vermont. For more information on responsibilities and the appointment process e-mail contact@crjc.org For more information on CRJC see http://www.crjc.org.
