MISC:

Greg Gay has asked that the issuance of his Building Permit be delayed until the beginning of November 2021.

Mr. Gay contacted Com Kiniry and asked if he moved the site of the Office Building back 20 feet to satisfy the ROW distance, would he be too close to Len-Tex's ROW.

Concern of the School Bus parking at the foot of the Mtn View hill on Main Street was discussed. Commissioners question why the buses do not pick up at the School as they have in the past. This winter will present major liability issues with ice and snow factoring into the equation.

Alice Maura asked if there was any information on the Arch Bridge and the RTE 12 construction. The Commissioners said they had heard nothing about the bridge but that RTE 12 would be closed for the winter months.

Motion to adjourn meeting by Com Colburn, seconded by Com Kiniry, with three in favor.

Meeting Adjourned at 8:10 PM.

**Respectfully Submitted,
William H. Moses**
