Attendees: Robert McGuirk, Water; Rose Bolio, Treasurer

Meeting Called to Order at 7:06pm by Commissioner Kiniry

Minutes of September 19th, 2023, accepted by Commissioner Kopij, seconded by Commissioner Kiniry with all in favor.

FIRE:

Chief was absent from this meeting.

WATER:

There have been issues the last two weeks, at least, with the old system affecting the new WTP system.

Pat will replace the part for the phone line up on the hill.

There was a leak in the water main today between 19 and 21 Killeen. Water was shut off to Center, Vine, and Merchant Street temporarily to fix this problem. E.E. Houghton and the property owners were on scene and available to help remedy the situation.

Chris from E.E. Houghton will be here Thursday to look at the generator due to the problems that occurred while the power was out during the power line fire.

Pat has called Sam from Weston & Sampson but has not heard back regarding being asked to resubmit our Asset Management application again. Pat will contact Cheryl with questions.

Hydrogen Peroxide will be delivered Thursday. Ethan called regarding changing the hydrogen peroxide levels and said the panel should auto correct measurements to coincide with new levels.

Still have not received test results from EAI. They are moving this week, but Pat will connect with them to find out when those results will be in.

MISC:

Pat called Steve from ESCOR. The Treasurer computer is up and running and just needs to be updated.

Pat hasn't heard from Joe about the Zoning Ordinance Update Committee meeting on Thursday.

Pat is going to reach out to Peggy regarding Town parking/street ordinances to include them in the updating process.

Melissa will contact the painter to begin after floors are put in next week.

Motion to adjourn by Commissioner Kopij, seconded by Commissioner Colburn with all in favor.
