

Walpole Seniors Trips

The Walpole Senior trips and programs this summer were with the Best of Times, traveling on the Wilson Bus Lines. Our first trip was to the Sheraton Four Points in Leominster, MA on April 17. Thirteen members enjoyed the Dawn Singers and an Easter dinner. On July 9, eighteen members and nine guests traveled to Norwood 4 Points Sheraton, where the Patriots stay to have a delicious meal. We then went to the Seaport Blvd. in Boston to board the Provincetown II to sail the harbor. We viewed the Tall Ships and lucked out with a beautiful sunny day. On another exceptional day in October, seventeen members traveled with the Charlestown Senior Group to the Meredith train station, where we boarded the Presidential Pullman Car and traveled north to the Common Man Inn in Plymouth. We stepped off the train right into the dining room for a delicious luncheon. We again boarded the train and traveled north to view the beautiful foliage and later returned to Meredith for the ride home. This was a colorful and educational trip.
