

**Walpole Cemetery Trustees Meeting – December 9, 2017**

Present: Dale Woodward, Chair, Elizabeth Prentiss

The 2017 budget was reviewed. The invoice from John Clegg for headstone repair was \$4395: \$3520 for Village, \$275 for Drewsville, and \$600 for Carpenter Hill. A balance of \$1410 had been carried over from 2016. We have \$2385 which Dale will apply to have carried over to 2018 budget. The Alfred Clarke "Cross monument" repair was \$400 which was charged to Cemetery Trust Fund #1. (This had not been taken out of fund as of November statement. Dale will follow up.)

There was \$200 left in the Trees item in budget after clearing boundaries in Drewsville and cleaning up some brush near the Doug Jeffrey lot. Chris Lane was to trim the large oak tree but this has not been done. Dale will contact Chris to see if he can do it this year.

There was \$1500 budgeted for Lawn Service and we spent \$1503.

Dale has recently marked two lots for people who could not find their lot.

There was no other business.

Sincerely,

Elizabeth Prentiss
