Commissioners Meeting called to order at 7:08 pm by Com. O'Brien

Minutes of Sept. 18, 2018 meeting were accepted as written...

**FIRE: No Report****WATER:**

Ms. Mayberry updated the Commissioners on the questions raised at last week's meeting, after having contacted Jeff McClure. It is suggested that the Village send in an application for EWAC funds and apply in October for the USDA Funds. Regarding the use of Carbon Filtration, Mr. McClure felt that this method would result in higher O&M costs. Ms. Mayberry gave a brief explanation of the Village's payback cost which she estimated to be around 15%.

Bob answered various questions regarding water shut offs, and projects that are planned this fall. He also completed a requested water survey received from the USDA.

Bob noted that Esscor has updated his computer but there is a need to contact the company that issues the license for the program he is using. Bob will check with Ms. Mayberry about this as she was involved in the original installation.
