**Hooper Institute Board:** Mr. Dalessio reported the Hooper Institute Board met last Wednesday. It was a positive meeting with a lot of good ideas being mentioned. He will forward Mrs. Dalbeck's Director's report to Mrs. Pschirrer and Ms. Mayberry. The Summer Program was well thought out. Mrs. Whippie put together an 8-day packet for the little kids and for the older kids, Mrs. Dalbeck put together various hiking trips, etc. People are signing up and picking up the packets. Mr. Dalessio is building the owl's house kits; twelve (12) have been spoken for. Trails are open behind the Hooper Institute and there are activities for families hiking along the trails.

The Hooper got turned down for the NH Charitable Grant. They received an acknowledgement letter from the Main Street Relief Fund Prequalification Application but there were 10,000 applications. They also got turned down for a smaller grant they applied for. Mrs. Pschirrer pointed out that it is a tough time if they are not a social service agency – money is going to feeding people, housing needs, child care, etc. Mr. Dalessio continues to encourage Mrs. Dalbeck to keep going and moving forward.

They interviewed the summer people. They stressed COVID-19 precautions. They met with students and mentors on the first day. The Hooper should have a newsletter ready in another 3-to-4 weeks. This will be the Friends of the Hooper's first big push on fundraising. About 3,000 copies will be mailed to everybody in Town. It is going in the right direction. They are stressing the educational piece of the Institute. He encouraged them to send information on the Hooper Will and Trust to new members. They are looking for all the scholarship students to write follow-up articles.
