

Walpole Cemetery Trustees Meeting, July 6, 2020

Present: Dale Woodward, Chair, Linda Edkins, John Sheldon

All members were present for cemetery tour.

Dale, Linda and John met with Jarod from Tip Top Landscaping in the New Cemetery. We reviewed the progress that has been made at the back edge of the Old Cemetery. Care of shrubs was reviewed. Jarod's team will start cutting back some of the overgrown shrubs and may have to remove a few.

Dale, Linda and John then walked the Village and Old Cemeteries and took notes on which stones needed attention this year. We are in much better shape than last year thanks to Keene Monument. We would like to start straightening the leaners in the Old Cemetery with any remaining funds.

A date for the next meeting has not been made at this time.

Respectfully Submitted,

John Sheldon, Clerk
