2022

Reservoir Dam

Town of Walpole New Hampshire

Annual Report of the Town Officials, Departments, Committees & Walpole Fire District

This Town Report is dedicated to

May (Peggy) Graves

and

Vaughnette Neal

Peggy Graves and Vaughnette Neal met over 75 years ago and remained steadfast friends through marriages, children, losses, celebrations, and the ups and downs of life. At first, they were brought together at the Walpole High School, then sharing an apartment and taking the first steps towards independence. That was followed by marriage and raising families. Both Vaughnette and Peggy were devoted to their families and never wavered in supporting their children. They were committed to the community and could be counted on to volunteer in any capacity to help those in need. Peggy and Vaughnette were lifelong friends on earth and may they continue that friendship forever after.

ANNUAL REPORT ~ TABLE OF CONTENTS

ARTICLE 2: Are you in favor of these amendments to Article IV, D. Signs, 3. Limitations Ordinance as proposed by the Walpole Planning Board for the Town of Walpole's zoning ordinance as follows:

Inflatable signs; feather flags; oscillating, rotating, flashing, neon or other tubular gas signs; or signs with blinking, changing or moving illumination are not permitted. These prohibitions do not apply to signs used for safety purposes by a government entity.

Additionally, added to the ordinance, Article No. IV General Provisions, D. Signs, No. 9, and ordinance Special Exceptions will move to No. 10:

2022 ANNUAL MEETING MINUTES

Temporary Signs

A temporary sign is any sign not permanently attached to the ground, a wall or a building that is intended to be displayed for a short to limited amount of time.

Examples of temporary signs may include but are not restricted to announcement signs; real estate signs; community or civic event signs; political campaign signs pursuant to RSA 664; garage or yard signs or signs for other special events that occur for a limited period of time.

All temporary signs shall be removed within ten (10) days following the event or activity being promoted.

The Planning Board recommends this article. (6 Yes, 0 No, 1 Abstain)

Article 2 was on the Ballot Yes 354 No 60 Article 2 Passed

The continuance of the annual meeting of the Town of Walpole was called to order at 1:09 pm, Saturday, March 12th in the gymnasium of the Walpole Elementary School, by our Moderator, Jack Wozmak.

Chairman of the Selectboard, Cheryl Mayberry, led the meeting in the Pledge of Allegiance.

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of five million, forty-one thousand seven hundred fifty-one dollars (\$5,041,751) which represents four million, three hundred fifty-seven thousand, eight hundred five dollars (\$4,357,805) for the Town Operating Budget to be raised from general taxation; one hundred ninety-one thousand, two hundred two dollars (\$191,202) for the Water Fund Operating Budget and four hundred ninety-two thousand, seven hundred forty-four dollars (\$492,744) for the Sewer Operating Budget which includes two hundred thirty thousand dollars (\$230,000) for bond assessments. Such sum does not include special or individual articles or bonds found in the warrant.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

Selectboard Chair, Cheryl Mayberry spoke on this article and there was discussion.

ARTICLE 3 was passed as read with a voice vote.

ARTICLE 4: To see if the Town will vote to adopt the Walpole Community Power Electric Aggregation Plan, which authorizes the Selectboard to develop and implement the Walpole Community Power Plan as described therein *(pursuant to RSA 53-E:7).

* The Walpole Electrical Aggregation Plan is on the Town Website.

Majority vote required.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

Selectman Peggy Pschirrer and Committee Chair Paul Looney spoke on this article and there was discussion.

ARTICLE 4 was passed as read with a voice vote.

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of two hundred fifteen thousand dollars (\$215,000) to replace the Town Hall roof and repair the chimneys on the Town Hall roof. The said funds to come from the Unassigned Fund Balance.

The Selectboard recommend this article. (3 Yes, 0 No, 0 Abstain)

Selectman Steve Dalessio spoke on this article and there was discussion.

ARTICLE 5 was passed as read with a voice vote.

2022 ANNUAL MEETING MINUTES

Article 6: To see if the Town will vote to establish a Municipal Building Capital Reserve Fund under the provisions of RSA 35:1 for the maintenance and repair of town facilities and to raise and appropriate the sum of fifteen thousand dollars (\$15,000) to be placed in this fund.

Majority vote required.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

Selectman Peggy Pschirrer spoke on this article and there was discussion.

ARTICLE 6 was passed as read with a voice vote.

Article 7: To see if the Town will vote to raise and appropriate the sum of one hundred seventy thousand dollars (\$170,000) for a sidewalk snowblower. 75 registered voters attended Town Meeting.

Respectfully submitted,

Meghan Hansson

Town Clerk/Tax Collector

STATE OF NEW HAMPSHIRE TOWN OF WALPOLE

Town Meeting – March 18, 2023

To the Inhabitants of the Town of Walpole qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall, 34 Elm Street, Town of Walpole, on **Tuesday, March 14, 2023**, at 7:00 AM to act on **Articles 1-15**. Articles 1 through 3 will be voted on at the polls. Polls at the Walpole Town Hall and at North Walpole St. Peter's Church will be open at 7:00 AM and remain open until 7:00 PM. Following the closing of the polls and counting of the ballots, the meeting will be adjourned until **Saturday, March 18, 2023, at 1:00 PM** at the **Walpole Town Hall** at 34 Elm Street, at which time the balance of the Articles will be acted upon.

ARTICLE 1: To elect the necessary Town Officers for their respective terms.

ARTICLE 2: To see if the Town will vote to amend ARTICLE XIV of the Zoning Ordinance of the Town of Walpole, New Hampshire, to read as follows:

Penalty

Any person who violates any provision of the ordinance shall be subject to penalties in accordance with RSA 676:17, or any successor statute as may then be in effect, provided that the amount of the civil penalties to be assessed in accordance with such statute shall be determined in the discretion of the Selectboard.

The Planning Board recommends this article.

ARTICLE 3: To see if the Town will vote to amend the Article IV "General Provisions" of the Walpole Zoning Ordinance to include regulations regarding Formula Businesses by adding the following as Section P:

- P. Formula Businesses This Section establishes standards to limit the concentration of businesses that are homogenous and visually obtrusive for the purpose of preserving the unique and distinctive appeal of the Town's character and commercial development. These standards are aligned with the purpose of these Zoning Regulations as described in Article I and are vital to the continuation of the Town's ability to attract both residents and visitors.
- 1. A Formula Business is a business, including but not limited to retail sales, hotels, and restaurants, that both (a) maintains two or more of the following five standardized features: (1) array of services, menus, or merchandise, with 50% or more of in-stock merchandise bearing uniform markings; (2) trademark, logo, or service mark; (3) architecture, facade, or exterior design; (4) decor or color scheme; (5) uniform (other than name tags); and (b) shares the same or substantially the same two or more features as 10 or more other businesses, regardless of ownership or location.
- 2. The total number of Formula Businesses in the Town of Walpole at any one time shall be limited to 12. When this limit is reached, no new Formula Businesses may be established unless an existing Formula Business closes, adapts so that it no longer qualifies as a Formula Business, or relocates outside of the Town boundaries.
- 3. If a business in current operation becomes a Formula Business by means of additional locations being established, this business shall count toward the total number of Formula Businesses but shall not be considered as a Formula Business being established.

STATE OF NEW HAMPSHIRE TOWN OF WALPOLE

Town Meeting – March 18, 2023

4. Formula Businesses shall not include post offices, places of worship, schools, government facilities, banks, gasoline fueling stations, professional offices, or health care facilities.

The Planning Board does NOT recommend this article.

ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of five million two hundred seventy one thousand three hundred five dollars (\$5,271,305) which represents four million five hundred thirty seven thousand two hundred two dollars (\$4,537,202) for Town operating budget to be raised from general taxation; one hundred ninety eight thousand nine hundred sixty four dollars (\$198,964) for the Water Fund Operating Budget and five hundred thirty five thousand one hundred thirty nine dollars for the Sewer Operating Budget (\$535,139) which includes two hundred thirty thousand dollars (\$230,000) for bond assessments. Such sum does not include special or individual warrant articles or bonds found in the warrant.

Majority vote required.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000) to the Municipal Building Capital Reserve Fund. The said funds to come from general taxation.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of two hundred fifty thousand dollars (\$250,000) for the purchase of a 6-wheel truck for the Highway Department. The said funds to come from the unassigned fund balance. This is a non-lapsing warrant article.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) for the Highway Capital Reserve Fund. The said funds to come from general taxation.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of seventy-five thousand dollars (\$75,000) to construct storage at the Recycling Center. The said funds to come from the unassigned fund balance.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of forty-seven thousand Dollars (\$47,000) for a vehicle for the Walpole Police Department. The said funds to come from the unassigned fund balance. This is a non-lapsing warrant article.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

STATE OF NEW HAMPSHIRE TOWN OF WALPOLE

Town Meeting – March 18, 2023

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of sixteen thousand five hundred dollars (\$16,500) for equipment in the new police vehicle. The said funds to come from the unassigned fund balance. This article is contingent upon the passing of Warrant Article 9. This is a non-lapsing warrant article.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000) for the Police Department Capital Reserve Fund. The said funds to come from general taxation.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of one hundred fifteen thousand dollars (\$115,000) for the reconstruction of Middle Street to include upgrading drainage and roadway improvements. The said funds to come from the unassigned fund balance.

The Selectboard recommends this article. (3 Yes, 0 No, 0 Abstain)

ARTICLE 13: To see if the Town will vote to modify the elderly exemptions from property tax, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years, \$35,000; for a person 75 years to 80 years, \$50,000; for a person 80 years of age or older \$60,000. To qualify, the person must have resided in this state for at least 3 consecutive years preceding April 1 in the year in which the exemption is claimed, own real estate individually or jointly, or if the real estate owned by such person's spouse, they must have been married for at least five years. In addition, the taxpayer must have net income of not more than \$30,000, or if married a combined net income of less than \$50,000; and own net assets not in excess of \$100,000 excluding the value of the person's residence.

The Selectboard recommends this article. (3 Yes, 0 No)

ARTICLE 14: Are you in favor of modifying the previously adopted RSA 72:28, II - Optional Veterans' Tax Credit, by readopting the \$500 credit to include eligible active duty veterans, as specified in the state legislature's 2022 amendment to RSA 72:28, and modifying, the previously adopted RSA 72:28-b - All Veterans' Tax Credit, by readopting the \$500 credit to include eligible active duty veterans, as specified in the state legislature's 2022 amendment to RSA 72:28-b? If readopted and approved, this article shall take effect for the 2023 property tax year.

The Selectboard recommends this article. (3 Yes, 0 No)

ARTICLE 15: To transact any other business that may legally come before the meeting.

Given under our hand and seal this 26th day of January, the year of our Lord Two Thousand and Twenty-Three.

2023 WARRANT OF THE WALPOLE FIRE DISTRICT

To the inhabitants of the Walpole Fire District qualified to vote: You are hereby notified to meet at the Fire Station in Walpole, N.H. on Thursday, March 16, 2023 at 7:00 PM to act on the following articles: <u>Please</u> bring this report with you.

Article 1: To choose a Moderator for the ensuing year.

Article 2: To choose a Clerk, and a Treasurer, for a term of one year, and also one Commissioner for a term of three years.

Article 3: To hear the reports of the Chief, the Commissioners and any others having reports to make.

Article 4: To hear the report of the Treasurer.

Article 5: To see if the District will vote to raise and appropriate the sum of Three Hundred Eighty-Three Thousand Dollars (\$383,000.00) to operationally support the Fire Department and Ambulance Service for the ensuing year. (The Commissioners recommend this Article).

Article 6: To see if the District will vote to raise and appropriate the sum of One Hundred Seventy-Five Thousand Dollars (\$175,000.00) to be deposited into the Heavy Equipment Truck Replacement Capital Reserve Fund previously established. (The Commissioners recommend this Article).

Article 7: To see if the District will vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000.00) to be deposited into the Building Renovation Capital Reserve Fund previously established. (The Commissioners recommend this Article).

Article 8: To see if the District will vote to raise and appropriate the sum of Twenty-Five Thousand Dollars (\$25,000) to use for Preconstruction Services for the future construction and renovation of the fire station and the future building compliance of the fire station. The funds to come from the unassigned fund balance. This special warrant article will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until services for Owner's Representative have been completed or by December 31, 2024, whichever is sooner. (The Commissioners recommend this Article).

Article 9: To see if the District will vote to authorize its Commissioners to borrow money on notes in anticipation of taxes

Article 10: To see if To transact any other business that may legally come before the meeting.

Respectfully: Walpole Fire District Commissioners

se Sheldon Sawyer,

WALPOLE FIRE DISTRICT

Ernest Vose

Sheldon Sawyer, Jr.

WALPOLE FIRE AND E.M.S.

Walpole Fire-EMS responded to 678 calls in 2022, 52 more emergency runs than in 2021. One hundred percent (100%) of these calls were answered by Walpole personnel. We provided numerous Mutual Aid medical calls to neighboring towns as the crisis in emergency medical services continues to take the spotlight.

We received our new ambulance (35-A1) in April of 2022 which was immediately placed in service and now functions as our primary ambulance. This is a PL custom body on a Ford F-550 4X4 chassis. Many thanks to the board of officers for the countless meetings with manufacturers before purchasing, we hope this proves to be a 20-year truck.

We have resumed CPR classes, which are not to the volume of "pre" pandemic levels. Our increased call volume and trainings has made scheduling more difficult than years past. Please email wellness@walpolefireems.com if you are interested as they become available.

New 35-A1 Ambulance

Our building committee is still working with Michael Petrovick Architects, PLLC on final bid documents for the Fire Station renovation. This was originally planned for the 2023 warrant, but with more doors opening for grant funding, it seemed wise to delay to the 2024 fiscal year. We have been promised a large FEMA grant through the NH Congressional offices for the Emergency Operations portion of the project, and are actively pursuing building grants to help offset the remaining building costs.

Walpole Fire-EMS continues to be fortunate with the level of dedication and professionalism its members possess. We continue to attract new fire fighters and EMT's at a time when volunteering the hundreds of hours of personal time is a hard commitment to make. This is due in large part to the overwhelming support from our community, perhaps a little bit of luck, and an amazing group of individuals. If you are interested in becoming part of Walpole's Emergency Services, please reach out to us at the Fire Station at 603-756-3621.

In closing, I would like to take this opportunity to thank all the members of Walpole Fire-EMS. In the most difficult of times and largest call volumes Walpole continues to see, each and every call continues to be answered.

Mark Houghton, Chief, EMD Walpole Fire-EMS

FOREST FIRE WARDEN

As we prepare for the 2023 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Walpole issues Fire Permits online at www.NHfirepermit.com This is the preferred method for obtaining an outside burn permit for south of the Cold River. You may also contact the Fire Warden or Deputy Wardens at the Walpole Fire Station on Sunday mornings between 9:00 am and 11:00 am to obtain a permit or help with any questions.

Residents of North Walpole Village <u>must contact</u> Chief Bill Crawford at 802-289-2230 or Captain **Jason Colburn** at 603-313-9065 for written permission for outside burning.

Many thanks to everyone, Richard Hurlburt, Warden

TOWN CLERK-TAX COLLECTOR

The Town Clerk-Tax Collector office is proudly leaving its "under new management" stage, and making its way to the reliable "business as usual" stage. The learning curve is steep for these positions, and while we do not know all the answers, we feel better able to find them for the unique and unexpected curve balls that pop up every now and again.

In 2022 we saw a rise in online transactions. 'E-Regs' now represent 23% of our motor vehicle transactions and bring in over 30% of the money. We encourage our residents to utilize this option. While we love having folks come by the window, we know everyone is busy and the E-Reg renewal option is quick and easy. You can also renew your dog licenses online.

Visit www.WalpoleNH.us and under 'Departments' choose 'Town Clerk.' There you can see the various annual transactions that can be handled online.

Here are a few handy reminders regarding motor vehicle transactions:

- You have a **4 month window** during which to renew your vehicle registrations: the month of your birth plus the three months preceding
- If you wish to move your plates from an old vehicle to a new one, you need to **bring in the old paper registration!** Do not leave that registration in the old car.
- You are required by law to license your dog every year by April 30th

Regarding your tax bill, please remember that in the TC/TC office we only collect the money. We do not control what is on the bill. This includes your mailing address, assessment values, the tax rate or when the 2nd bill is due. If your property taxes are paid via an escrow account, you can check on your tax status 24/7 at www.NHTaxKiosk.com

We are here to help; please feel free to reach out with any questions or concerns.

For easy reference, here are our hours and how to reach us:

Phone: 603-756-3514 Hours: Monday: 7-12 & 1-6 Email: TownClerk@WalpoleNH.US Tuesday: 9-12 & 1-7:

TownClerk@WalpoleNH.US

MHansson@WalpoleNH.US

VGohl@WalpoleNH.US

Tuesday: 9-12 & 1-7:30

Wednesday: 9-12 & 1-5

Thursday: 8-12 & 1-4:30

Friday: CLOSED

UTILITIES - WATER & WASTEWATER

Two thousand and twenty-two was a quiet year for Walpole's Utilities. Until the early morning of December 20th, Walpole water department avoided any major water main breaks. The water main that connects everything north of the Mill Pond to the village ruptured by the Mill Pond in the worst possible spot. On a steep bank, under a concrete box culvert and guard rails. Once this was repaired, a second section ruptured just south of the first break, making for an extended repair in wet, cold weather. Unfortunately, a large portion of the Town water needed to be shut down during this extensive repair. This occurred while many were preparing for the holidays. We thank you all for your patience.

Walpole's wastewater pump stations continue to be a challenge. We engaged Weston & Sampson engineers to develop a plan for the sewer line that is in jeopardy under the long-closed Vilas bridge. This also involves two pump stations, Baileys and North Walpole, both of which are long overdue for upgrades. With this engineering project close to completion, we will seen be looking.

Mill Pond Water Main Break, 2022

engineering project close to completion, we will soon be looking to capture assistance from state and federal funding sources to build the solutions presented.

Walpole Water has also begun the grant process to study a third source of water for the village. As well as look at the system as a whole to identify areas that should be addressed to ensure a reliable system for generations to come.

The water main and sewer main on Middle Street is scheduled to be replaced during the summer of 2023. This will connect the new water main on Elm Street to Main Street and complete most of the upgrades around the common in the Village. The lines being replaced are well over 100 years old.

Frequently we are asked why we flush the fire hydrants. This is done for two reasons. First is to ensure that our hydrants, which are a vital part of fire protection for homes and businesses that are served by the water system, are functioning properly. Second and equally important is our water quality. Much of Walpole's water system is served by water mains that are over a century old. System-wide flushing of these lines is commonly done twice a year and is performed in order to flush rust and sediment that builds up in these pipes over the course of time. When the system is being flushed, signs are posted by the Fire Station and on South Street, a notice is placed in the newspapers and on Town bulletin boards. In addition, we place calls to homes and businesses that have requested phone notice, as well as send an email from the Town Hall for those that have signed up for this service. This is all due to the inevitable rust and low pressure that occurs when we are actively performing this necessary work.

Each year with the spring utility bills, we send a copy of the Consumer Confidence Report. This report is an informational mailing which is similar to the label on food and beverage products and contains information about our water system, the wells and their operation. If you have any questions or suggestions, please contact us through the Selectboard Office at 603-756-3672. We are also working to grow an email list to contact customers in the event of an emergency; you can email us at water@walpolenh.us to be added to this list.

Respectfully Submitted,

Mark Houghton Water and Sewer Director

SELECTBOARD

Two thousand and twenty two can best be described as a year of transition and challenge for the Town. As we transitioned away from COVID-19 restrictions and canceled events, it was good to see Town traditions return such as Old Home Days, Live Nativity, recreation programs and in-person meetings. We faced some challenges: inflationary pressures, hiring, contractor demand and working with government agencies on infrastructure repairs.

Thanks to our department managers' efforts, we successfully overcame these challenges. We continued to move various projects forward, stay within our budgets and remain safe from the effects of the pandemic.

Although our Highway Department was able to open town roads within 24 hours of the July 2021 storm, the work to repair all the damage continues today. The Town was fortunate that financial resources were available to start the repair work ahead of government assistance. Over time we hope to recoup much of the money from various government grants and programs. As we look forward, we still have much work to do. Repairs to the Reservoir Dam, replacement of Houghton Brook Bridge and continued engineering of flood-prone areas are just some of the infrastructure projects on the agenda.

The shortage of workers has also been a challenge for the Town. Open positions resulting from long-time Selectboard recording secretary Regina Borden's retirement and openings in our police department continue to remain unfilled. Thanks to employees "stepping up," we have maintained our services.

We would like to recognize two of our volunteer committees, Community Power and Police Station Study. Both committees have been meeting for months, and their work will impact the town in important ways. The Community Power Committee is actively moving the Town toward allowing residents to purchase electricity at a reduced rate. Watch for more details in the coming months.

In the next few months, you will hear more about the work of the Police Station Study Committee. When formed, they were challenged with the task of evaluating the current and future needs of our Police Station. Several community information hearings will be held in the coming months.

The Selectboard welcomes your input and encourages your participation in our Town. Thank you! Respectfully Submitted by the Town of Walpole NH Selectboard,

Steven Dalessio, Chair Peggy L. Pschirrer Cheryl Mayberry

TREASURER

The treasurer position has been in a state of flux in 2022, as I am now the third person to serve in this role. I was solicited to exit retirement by the Selectboard just prior to Labor Day. As such, this first report will be in narrative form rather than numerical. Two things have been noticeable since I agreed to the assignment; one by its absence and one very obvious.

What I haven't noticed is any evidence whatsoever of fraud, misappropriation of funds or malfeasance. I have been reviewing every check written or transfer made for the past four months and I am as confident as I can be that all that is being disbursed is as it should. My role is not to make judgements on what is being spent, but rather that we have a deposit and payment system in place that works as intended.

What is very noticeable is the professional process and manner of how funds are handled and accounted for in both the Town Clerk-Tax Collector and Selectboard Offices. It's clear we run a tight ship, which inspires my confidence and willingness to seek election for 2023...and because my wife wants me out of the house more often.

This is my 35th year as a Walpole resident and since I think it is time to give back, I will be donating whatever small stipend the treasurer is paid to various yet to be determined Town purposes. First on my list, however, is to get some shade at the town pool. We can't keep replacing wind damaged tarps. I will work with the Recreation Department Director to find a more permanent solution.

Respectfully Submitted,

Stephen J. Varone Town Treasurer

2022 FINANCIAL SUMMARY

Summary of 2022 Activity

The Operating Budget for 2022 was \$4,350,696. Actual expenditures for 2022 were \$3,686,913 (84.74%) for a difference of \$663,783. Budget expenditures continue to be monitored via monthly reports given to department managers for their review, enhancing their ability to manage their budgets. This has allowed for flexibility in meeting unanticipated financial needs of the Town as was the case in 2022. Two thousand and twenty-two's results continue a six-year trend of managers' closely monitoring their individual budgets and has allowed the Town to grow its Unassigned Fund Balance with the Department of Revenue Administration.

The Town continued to sweep excess cash into NHPDIP to secure its funds and to take advantage of earning meaningful interest on this excess cash. On a weekly basis the minimal weekly cash needs of the Town are analyzed and request the Town's Treasurer, to either have funds transferred from the Town's primary bank account to NHPDIP or vice versa. This is a seamless process adding no additional burden to the Town. In 2022, the Town earned \$86,277.38 in interest through NHPDIP.

2023 Budget

The Selectboard started the budget process in September 2022 and reflects several months of careful deliberation. The increase in the operating budget, 2023 versus 2022, is 4.29% despite these inflationary times. This increase is smaller than the increase in the budget between 2022 and 2021 of 4.78%. The average increase over the past eight budgets has been 3.88%.

Within the budget, 57.19% is comprised of wages, benefits, and payroll taxes (in 2022 it was 55.34%. Of this total, 66.86% comprises wages, 29.33% comprises benefits, and 3.78% comprises payroll taxes. The Town has had very little turnover among its employees. Those of us who are fortunate to be employed by the Town stay. For several years, the Board has made adjustments to the pay to individual positions to remain competitive with other towns to maintain this stable workforce. After receiving an extensive wage study, the Board continued with this for 2023 for other positions not previously adjusted. Unless otherwise noted in the budget, employees received a 6% COLA. Even with these adjustments, the Town only experienced a slight increase in the relationship between the total labor component to total budget as compared to 2022's budget.

COVID played a role in developing 2023's budget and in it came in the form of a significant increase in the Town's health insurance rate; an increase of 11.7%. The lessening of controls imposed to control the spread of COVID resulted in an increase of people having medical procedures done that had been put off at the height of the pandemic resulting in higher medical claims. Hence the significant increase in health insurance rates.

To offset the effect of this on the 2023 budget, the Board took two steps. First, the plan offered to employees was changed to a higher deductible, lower cost plan. The last time the Town changed the plan it offered to employees was in 2016. Second, the amount that employees contribute to the cost of health insurance increased from 12.5% to 15%. Again, the last time a change employee contribution was made was in 2016. This change reduced the amount the Town contributes from 87.5% to 85%.

2022 FINANCIAL SUMMARY- continued

Infrastructure Spending

Over the past few years, the Town has contracted for studies to develop plans to improve the infrastructure of the Town. Though the details of these efforts are outside the scope of this financial summary, they generally include studies to prevent the type of flood damage that the Town seems to be experiencing each summer and finding a solution to the sewer waste pipe under the Vilas Bridge.

Two points are worth mentioning. First, citizens tax dollars are not being used in these efforts. The Town has received funds from both the state, in the form of the highway block grant, and the federal government, in the form ARPA funds specifically allocated to the Town, and that portion of the county's ARPA funds designated to Walpole. Some of these funds are being used to assist in seeking grants to fund the projects as studies and plans progress.

Because tax dollars are not being used for this purpose, any expenditures associated with these efforts are not reflected in the operation budget of the Town and instead, are being accounted for separately to allow for the tracking of monies received and expended specifically for these efforts. Finally, the tax rate is not affected by these efforts.

For further information regarding more specifics on these infrastructure efforts, please contact a Board member.

Respectfully Submitted,

Richard W. Kreissle Manager of Finance

HIGHWAY DEPARTMENT

Crews performed several maintenance operations on Town roads this year. This included sweeping, pothole patching, replacing signs, culvert replacement, catch basin repairs and grading of gravel roads.

At the 2022 Annual Town Meeting, Article 7 passed for the purchase of a sidewalk snowmachine. The new sidewalk snowmachine was delivered in September of 2022. This has allowed highway employees to become familiar with the new machine, including how to operate it correctly and safely prior to the winter season. The use of the new machine thus far has proven to be far superior with clearing and salting of all Town sidewalks in comparison to the prior snowblower machine.

In November 2022 we finally received the International dump truck that was ordered from Amended Article #6 of the 2020 Annual Town Meeting. Many issues arose causing the delayed completion of the vehicle. This truck was received with a warm welcome as it has replaced our oldest truck in the fleet, a very overworked and very tired 2007 International dump truck.

Paving this past year has proven to be challenging. Due to outsourced truck drivers and supply shortages as well as skyrocketing material prices, our paving schedule started late and was cut shorter than planned for. Roads completed this past year are March Hill Road, North River Road and Hillside Acres. Hillcrest Road was milled and paved.

Respectfully Submitted,

Mike Rau Road Agent

POLICE DEPARTMENT

The calls for Police service in Walpole were consistent in 2022. We handled 3161 calls for service in 2022 compared to 3154 in 2021. Additionally, Walpole Officers made 867 motor vehicle stops, effected 162 arrests and executed 55 motor vehicle search warrants.

Currently, the Walpole Police Department consists of five full-time Officers but are slated for six full-time and supplemental part-time. The good news is that after many months of being at critically low staffing, we hired Officer Adam Howard and Officer Jonah Merkle. Both officers came to Walpole as NH certified police officers and have been able to get to work quickly. With the recent staffing shortfalls, I want to express my gratitude to my officers' dedication, who have worked so many extra hours to keep Walpole safe. And I greatly appreciate the families who have supported them through this time.

At the end of 2022, the Walpole Police Department saw the retirement of Sergeant Joel Huntley. Sgt. Huntley has served 40 years in New Hampshire law enforcement, with his last 20 years here in Walpole. On a personal note, Sgt. Huntley was influential in my training during my early years in Walpole. Over this past year, Sgt. Huntley worked directly with me while I moved into my new role as your Chief of Police. His insight and support have been vital during this phase. I sincerely thank Sgt. Huntley, for all he has done for me, our Town, and the profession as a whole.

As many know, the Walpole Police has outgrown the current Police Station in personnel and capabilities. Additionally, safety concerns have been identified with the existing facility for officers and the public. As the Town of Walpole progresses with our society, a proper and safe facility is essential now more than ever. In response, the Selectboard has assembled the Walpole Police Building Committee to provide guidance and direction with this issue. I want to thank the members of the Police Department Building Committee for sharing their precious time and expertise on this project. Special thanks to Rod Bouchard, who served as the committee's first chair and was instrumental in getting this project started.

I would also like to thank my Selectboard Police Liaison, Peggy Pschirrer, for all her advice and knowledge. Mrs. Pschirrer has tirelessly worked with me on many issues facing our Police Department. She is always available to discuss issues and support the officers while understanding what is best for our great Town.

I am available to discuss public safety concerns and matters of law enforcement with anyone from our community. The Walpole Police Department must have a good understanding of what this Town needs so that we can be most effective in our service.

Respectfully,

Justin Sanctuary Chief of Police

RECYCLING CENTER

Two thousand and twenty-two was a vibrant year of extremely high return value for recyclables early in the summer, followed by a steady decrease in value of all commodities heading into the winter months. In June, baled cardboard was valued at \$150 per ton. By December, our cardboard value dipped to \$40 per ton. I held a large quantity of aluminum until the price hit \$1.08 in late April and returned \$8,294.00 back to the Town of Walpole on that shipment. We are able to store aluminum outside and wait for prices to come back up before shipping, but plastic and cardboard need to be stored under cover to retain value for our recycling partners. Our current storage situation does not allow us to hold plastic or cardboard and wait for higher return value. When our trailers are full, we are forced to sell at that time. We are looking for a better storage situation that would allow us to recycle more and find higher return values on what we are currently bailing at Walpole recycling.

Recycling and reusing items that might otherwise end up in our waste stream is a step in the right direction towards addressing some of our global environmental issues. We also benefit economically from recycling. Trash fees jumped from \$85 per ton to \$115 per ton, which gives us a strong financial incentive to recycle! We began recycling #5 plastic in 2022, shredded countless papers with our new shredder, and expanded the reuse center to include an outdoor patio where lumber and metal from the waste stream will be sold back to the public to benefit the Fall Mountain food shelf in 2023. We have an impressive array of recycling equipment, staff, and volunteers at Walpole recycling. Our Reuse Center had a 95% volunteer presence throughout 2022. The Reuse Center generated \$5,063.00 toward the Fall Mountain Food Shelf, and the Friends of the

Reuse Center

Walpole Library made \$2,460.00 toward the purchase of new books for the Walpole Library.

With the help of the public, Walpole recycling has been a beacon of recycling greatness for three decades. With that consistent effort from the public comes accolades for management. I was asked to participate in and appointed to the NRRA board in 2022, and also appointed to the NHDES solid waste working group board by NRRA executive director Reagan Bissonette. Walpole's Keefe Harrison awarded me a grant scholarship to attend the Recycling Partnership national conference in Austin, Texas this summer. I felt that I needed more recycling in my life, so when asked by the Town of Alstead to help them make improvements to their recycling center, I willingly said "yes". Jeff Miller, former executive at APC and Putney Paper, gave me a tour of the cardboard processing facilities that recycle Walpole's material. The paper mill workers told me Walpole has the cleanest cardboard that they receive!

Walpole bags sales-\$118,500... Mixed/Weighted-\$34,706.75...Aluminum-\$8,294.00...Cardboard-\$21,755.40...Scrap metal container-\$5,584.36...Baled plastic-HDPE colored-\$1,509.42...natural-\$1,896.05...PETE-\$1,671.24...Redemption-\$17,235.00...batteries-\$462.08...precious metal-\$432.90. Total 2022 Revenue back to town of Walpole: \$212,054. Keep recycling Walpole!

Sincerely,

Ben Hoy Walpole Recycling/Reuse Manager

TOWN LIBRARY

The year 2022 felt like a bit of a return to normal in the library world. We were able to remain fully open both at the Main Library and in North Walpole the entire year, for the first time since the start of the pandemic. We made a return to monthly in-person programming, while retaining some virtual and hybrid options to enable us to reach a wider audience. I was able to attend the first in-person regional library conference in three years.

In 2022, circulation of library materials (both physical and downloadable) increased significantly compared to 2021: 24,550 in-person checkouts/renewals and 7,551 checkouts/renewals through Libby/ Overdrive, with an additional 640 checkouts through our Hoopla streaming service. Library foot traffic also increased, with 12,219 visits, 25% greater than last year.

We added several new programs this year: Crafternoons for Adults, Great Decisions Discussion Group, Caregiver Support Group, and two additional Kids Code Clubs – one in North Walpole and one for beginners at the Main Library. Total library program attendance was 7,595, 43% more than in 2021.

In June, library staff, volunteers, and Board members formed a kazoo band, marching and playing in the Town's Old Home Days Parade. The Summer Reading Program was a success with one hundred participants of all ages. In September, we introduced new STEAM kits for kids that are available for checkout. These kits help augment learning through activities focused on science, technology, engineering, art, and mathematics. Also in the fall, we hosted an art exhibit of works inspired by the poetry of Robert Frost at both the Main Library and the North Walpole Branch during the months of September and October.

2022 Old Home Days Kazoo Band

In April, the library was able to expand the hours of staff member Julie Rios from 20 hours a week to full-time. Julie now splits her time between the Main Library and the North Walpole Branch. The extra hours have enabled her to expand the library's outreach into the community through regular preschool visits, a new monthly newsletter, social media posts, STEAM kits, and a new play area in the kids' room with toys acquired through a state grant and local donations.

The Board of Trustees welcomed two new members, Erin Bowen and Sarah Mann. They are both frequent library users who bring enthusiasm and fresh ideas to the Board. The Friends of the Library held a successful book sale in October, bringing in \$6,448.00

A warrant article for the replacement of the library's front door and chimney was approved at Town Meeting in March. It was a struggle to find contractors willing to do the work and subsequently, the work has been delayed until 2023.

I am grateful to the wonderful library staff, Board of Trustees, Friends of the Library, and volunteers whose hard work, dedication and helpfulness continue to make the library a valuable and welcoming resource for the community.

Jane Malmberg Library Director

RECREATION DEPARTMENT

Two thousand and twenty-two was a great beginning to returning to the normal standard of recreation activities where things felt like years past. While we look back at 2022, it was a great beginning to bring back all of the fun from years past.

At the beginning of the year, we had basketballs bouncing and sneakers squeaking once again at the elementary school and fans in the stands. The recreation program added a new introductory basketball program that was a huge success with children in grades 1 and 2. We also had our traditional basketball program for grades 3/4 and 5/6, where participation numbers increased while we entered our post-COVID season. We would like to thank Diamond Pizza, McGill Woodworking, E. E. Houghton Co., Paquette & Sons, ServePro, and Craig Vickers State Farm Insurance for sponsoring our basketball teams this season. We added a new ice rink and learned that it was a hit, so we decided to order an expansion at the end of 2022.

The weather got warmer in March and our parks opened up. Many residents found themselves outside swinging tennis rackets, hitting pickleball, or shooting hoops outdoors at Whitcomb Park. When summer came we were ready to open the pool again and it was busy a busy season. We had our concession stand open selling ice-cold pop sickles, ice creams, and water. Thank you again to Stephanie Greene, our Pool Manager, for another successful year at the pool. She does a fantastic job keeping the pool safe and open all summer. The community is grateful for her and our summer staff's commitment.

The summer was the time for our annual Summer Basketball League. We had our traditional 5th through 8th-grade league where kids played two weekly games and one practice. This year we had three teams again that played for 8 weeks and had playoffs. This year's winner was Bowman Dental, coached by Andy Buswell. Thank you to Cold River Materials, Chroma, and Bowman Dental for sponsoring our teams. We also would like to thank Jimmy Ronnings, Harvey Clough, and Daryl Somerset for their commitment to officiating our basketball league every summer.

The Parks and Recreation department also used the summer to do some renovation to the park. Wilson & Lawrence repaired the cracks in our tennis court, E.E. Houghton Co. helped install the new basketball court lights, Brad Nash replaced the lights on the pool deck, Associated Concrete Coatings installed a non-slip surface to our pool house floor, and Gerald's Painting painted the walls and doors of the pool house. We even hit a small bump in the road, when our pool filter motor stopped working in July. E.E. Houghton Co. and Agua Blue Pool & Spa LLC manage to have the pool back and

running in a week. We would like to thank everyone for their cooperation and patience while we continue to improve our facilities at the park.

During the summer, we continued our movie nights where five movies were shown between June and October at Whitcomb Park and North Walpole Park. The movies shown were Space Jam, Sonic the Hedgehog, Clifford the Big Red Dog, Encanto, and Sonic 2. Many people gathered to watch the films with friends and family, and they were offered refreshments. We want to thank Hubbard LLC for sponsoring the showing of Sonic the Hedgehog.

RECREATION DEPARTMENT – continued

The Walpole Recreation Department would like to say thank you to Diane Harty and the North Walpole Park Committee for the continued growth of the village park. The committee has put a lot of time and commitment into making the park look beautiful. This fall Diane also organized a drop-off of scarecrows which were lined up along the park's iron fence for everyone to enjoy. She also helps put together all the fun at North Walpole Village Park movie night by offering snacks, hot chocolate, punch, and music. We are truly grateful to have Diane.

When the pool closed, the Recreation Department hosted its annual fall travel soccer program that began in September. The program maintained its ten teams from the years past.

They traveled to local towns to play games once a week. Thank you to our sponsors which were Home Away From Home, Craig Vickers State Farm Insurance, Dog Daze, Salon488, Hubbards LLC, McGill Woodworking, and Diamond Pizza. We also want to thank Craig Vickers for his time helping to plan the end-of-the-year soccer jamboree and Diamond Pizza for donating food for the event. We are excited about the continued growth of our soccer programs.

As 2022 came to an end, we began bringing more normalcy to the community and we are looking forward to more growth and joy in the recreation programming in 2023.

Sincerely,

Kraig Harlow Director, Recreation Department

FREDERICK H. HOOPER INSTITUTE

The work that we do at the Hooper Institute and in our schools and community is informed and inspired by our mission to provide educational and scholarship programs to the youth and citizens of Walpole in the following focus areas: Environmental Science, Agriculture, Botany, Forestry, and Soils.

The Hooper Institute had a wonderful year of fundraising thanks to all of you in our community, neighborhood and beyond. It was a year to celebrate our founder, George Levi Hooper, and to share with all his story and ultimate gift to the youth of Walpole and to really all of us. George Levi made two appearances this year; one at the Winter FUN Day in February and again for his birthday party in May. His legacy, gift and story are important to revisit and to celebrate.

Thanks to the Walpole Parent/Teacher Group for their help at the Winter FUN Day and for the very first donation to the GL Hooper Birthday Fund. We are very grateful. And a special thanks to Bill Perron for bringing to life Mr. Hooper and for his kind words of support and encouragement. The children loved him! Our woodworking campers carved a sassafras walking stick for Bill with a dragon head, in appreciation. Thanks Bill.

The wider community all received a GL Hooper Birthday Fund letter in the spring and so many of you responded generously. The \$25 donations were as meaningful as the \$25,000 gift. All together it has given the Hooper Institute some financial stability as we navigate our variable resources from GL Hooper's endowment and the costs of supporting our mission today, both for scholarships and the educational programs. Thank you for donating.

We have a robust education program in our schools and are in the classroom daily in all three Walpole area schools. Our classrooms include the school gardens, high tunnel, nearby woods, fields, pond, streams, and local cemeter-

ies. The consistent access we have in the schools is very meaningful. Thank you to the teachers, students, and administration for your enthusiastic support.

A view from Bellows Falls

This year we were able to place five high school students in our 2022 summer work program. Thank you mentors for your help and support. They learned a lot! We were also able to grant five scholarships to deserving students that are studying in one of our focus areas at the college undergraduate and graduate level. These students were once Hooper kids in the gardens and learning beside us on the trails so to be able to give back at this capacity is at the core of our mission.

Woodworking camp is a beloved tradition that is noisy, creative, purposeful and really fun. Special thanks to Steve Dalessio for leading and funding this four day camp experience.

FREDERICK H. HOOPER INSTITUTE - continued

Our development efforts continued with a fall appeal, "Lend a Hand" and end of year gifts. Thank you to the many that were moved to give. We celebrated our heritage and special place with the 2nd Annual Fall Festival pressing cider, making hula hoops and cheerful scarecrows! Thanks to the many friends from the Friends of Hooper Institute, our Board of Directors, Hooper Institute Trustees, event volunteers and to the visitors who bid in our auction, donated items and bought the many baked goods. Thank you.

The members of the Walpole Community Garden do so much for the very land we share here on Prospect Hill. They are gardening organically, mindfully with attention to creating healthy biodiversity in soil and plant life, harvesting nutritious food and beautiful flowers. This garden is an absolute gem.

I also wish to thank the very first subscribers to an experimental project; a Flower CSA. I wasn't sure I could meet the demand for six weeks of

beautiful flower bouquets but between what I grew in the school gardens, foraged from friends, fields and Hooper Institute gardens and what was generously grown for us in the Community Garden, we did it! Thanks to a special donor, I will offer this CSA again in 2023. Beauty abounds!

Mrs. Whippie

I'd like to dedicate this report to Becky Whippie, our much loved "Mrs. Whippie". Becky is a career educator who knows her away around a cow, in the garden, forests, maple sugaring, crafting with kids, carving a spile; illustrating a farm plan and a lady slipper, storytelling, driving a tractor and picking apples. And that isn't all! She makes the best mint jelly, blueberry cake and lilac lemonade. We so appreciate all you have done for the Hooper Institute over the years and what you teach us every day. Thank you, thank you.

Respectfully submitted,

Helen Dalbeck

Hooper Institute Executive Director and Educator

WELFARE DEPARTMENT

The Town of Walpole provides short-term emergency assistance to eligible individuals or families. If someone is seeking information on long term assistance programs such as Temporary Assistance To Needed Families (TANF), foster care, disability grants, Medicaid, nursing home care, elderly care, and the food stamp program you may contact the New Hampshire Department of Health and Human Services, Keene District Branch at (603) 357-3510 or on their website at http://www.dhhs.state.nh.us.

Any Walpole, Drewsville or North Walpole resident may apply for assistance. When a resident is in need of assistance, they are asked to stop by the Selectboard office and pick up an application. They may also contact the Welfare Director at (603) 504-5625 or at welfaredepartment@walpolenh.us and request an application be sent by mail or email. Applications can also be found on the Town of Walpole website at www.walpolenh.us. The application has a cover sheet which outlines the procedures on filling out the application. Inside the application is a list of items that are needed to determine eligibility for the Town of Walpole Welfare. These items range from rent/mortgage statements, electric bills to proof of income and State of NH Assistance. Bank statements and various verification forms are also needed. Applications are returned to the Selectboard Office in person or mailed to the Town of Walpole Welfare Department, PO Box 729, Walpole, NH 03608. They are then reviewed by the Welfare Director. Calls are made to the applicants. Meetings are held virtually or in person if needed. Once determination of eligibility is made, payments go directly to landlords, electric companies, etc. Payments are never made directly to individuals. If an applicant is denied assistance, they are given the opportunity to appeal the decision by meeting with a Fair Hearing Board. If a client is not eligible there are other avenues besides Town Welfare that may be investigated. The Welfare Director assists the applicants by referring them to other agencies. The Walpole Welfare Department follows state and local guidelines; however, emergency help is available when deemed necessary in extenuating circumstances. All applications and information received is kept confidential.

The Welfare assistance program assisted 56 applicants this year, which is an increase of 55 percent from 2021. The majority of cases were for rental assistance followed by electric needs. Again this year, many applicants were referred and assisted by the NH Emergency Rental Assistance Program. This program was developed and funded with money from the CARES Act Coronavirus Relief Fund ("flex funds") to support families or individuals in need of housing assistance as a result of COVID-19. The program was overseen by the NH Governor's Office of Emergency Relief and Recovery . Funds were distributed through the Department of Health and Human Services to the five NH Community Action

2022 Welfare Departme	ent	Expenses

	7-	

Program Agencies in the State. Fortunately, most citizens who were in need were awarded several months of benefits which our Town's assistance program would not ordinarily be able to sustain. Applicants would still be considered for assistance through the Town's Welfare program even if they were denied assistance through the Emergency Assistance Program. The Emergency Relief Program provided great relief for many. However, the program ended in October.

A major challenge the Welfare Department faced this year was HOUSING. Many applicants approached the Town not just for rental assistance, but also for physical housing. Families were evicted from their homes/apartments when property owners sold their rental properties. Due to the housing shortage, Walpole citizens were forced to leave the community. Examples of what happened to our neighbors included families being split, with a mother and children leaving the State to live with other family while the father lived in a shelter to keep his employment; households 'couch surfing' with different family and friends until a shelter was available; people living in campers no matter the weather; families moving into motels and or hotels. Many people are too proud to reach out to the Town for help. I ask if anyone knows someone in need to please contact the Selectboard Office or the Welfare Department directly.

Sincerely,

Janet Clough, Edson Grout Associates

TRUSTEES OF THE TRUST FUNDS

Report for the Year Ending 12/31/2022

The pages that follow contain summary M-9 reports for each of the Funds managed by the Town's Trustees of Trust Funds. Additional information on each Fund is on file in the Select Board's Office and is available for public inspection. At 2022 year-end, the Trustees of Trust Funds managed on behalf of various Town departments and entities, as follows:

TOTAL MARKET VALUE PRINCIPAL & INCOME	As set forth in the MS-9
Non-Expendable	\$ 6,361,844.45
Expendable	\$ 1,023,469.18
Capital Reserve	\$ 1,656,410.96
Total All Funds	\$ 9,041,727.59

As allowed under NH RSA 31:38-a, the Trustees have engaged an investment advisor, Cambridge Trust Company of New Hampshire, to assist with (a) prudent and advantageous investment decisions; (b) compliance with State law as to what investment vehicles are allowed or not allowed; and (c) preparation of the annual reports necessary to be filed with the State. According to unaudited information provided by Cambridge Trust, as of December 31, 2022 total returns based on market values were as follows:

Fund	1 Year, Return of Net Fees	3 Year, Return Net of Fees
Non-Expendable	-9.00%	2.67%
Expendable	-8.60%	2.45%
Capital Reserve	1.42%	.81%

Respectfully Submitted,

Robert Kimball, 2023; Carol Malnati ,2024; Michael Collier, 2025

CAPITAL RESERVE FUNDS 1/1/2022 - 12/31/2022

CONSERVATION COMMISSION

The Conservation Commission has made notable progress with our goals for 2022 and have identified areas to focus on for 2023.

At the beginning of the year, we chose Hooper Forest to work with Town Forester, Alex Barrett of Long View Forest Contracting, on a management plan, which includes targeting invasive species and performing a timber cut. In April, the Commission agreed to fund the invasive treatment and the Hooper Institute would retain the revenue from the timber cut. Work has started on the invasive species and the timber cut will begin early in 2023.

An action plan has been created for the Walpole Gateway with a focus on creating a recreational loading and unloading area, so the gate can be unlocked in the summer months. The Commission has delineated a turnaround area and local contractors will improve the road surface in the spring of 2023. The Town Forester has started treating invasive species at the Gateway.

Steven Dumont with new brush cutter

The Trail Committee, a sub-committee of the Conservation Commission, hosted a trail maintenance day at Mill Pond in August. In October, Commission member Steven Dumont used our new brush cutter and safety accessories at Fanny Mason Forest, improving the quality of the trail. We plan to invite the public to more trail workdays in 2023.

Will and Wendy Grossman have worked tirelessly on behalf of and with volunteers from our Town, Conservation Commission, Trail Committee, and Monadnock Region Rail Trail Collaborative to secure grant funding and a Special Use Permit for the Rail Trail, which was paid for by the Commission. They have completed an intensive Historical Resources survey required by the state, worked with landowners to erect signs to help people find their way through a section of trail, and organized a cleanup of the trail for Connecticut Valley Yard Works to brush hog, which was funded by the Commission and enabled residents to use the trail in the summer months. We will continue our endeavors to enhance this trail for future generations.

Commission Chair, Alicia Flammia, attended a 2-day online course held by Rutgers University on dams and grant options for them. Walpole submitted a grant application to the state and was approved in the fall for \$749,000, enough to cover 100% of the Reservoir Dam repair.

Several Commission and Trail Committee members attended Easement Monitoring training in April with the Monadnock Conservancy. An Easement Monitoring sub-committee was formed to update paperwork and streamline the process to help future Commission members be more efficient.

In addition to all the above-mentioned ongoing projects, we are looking forward to working on a timber harvest at Fanny Mason Forest, marking our Town forest property boundaries, and introducing a new website for the Conservation Commission. We will also be discussing the possibility of adding new trails, and linking already established ones. Please join us for meetings on the first Monday of each month (excluding holidays) in the Town Hall at 7:00 pm.

Respectfully Submitted,

Alicia Flammia Chair

ZONING BOARD of ADJUSTMENT

In 2022 the Zoning Board of Adjustment (ZBA) underwent a substantial change. The Board was required to change the way we interact with the public. Town Counsel, Jeremy Hockensmith, advised the ZBA that we must not talk to applicants before they have submitted an application to us. Therefore, the Selectboard has hired a "Zoning Coordinator," who will now be the "go-to person" who can answer zoning questions and help guide people through the application process.

In July the NH Legislature adopted new rules that affect how municipal land use boards conduct business. These new rules, which went into effect on August 23, affect the ZBA by changing some of the time requirements for making decisions and require the Board to provide a formal written "finding-of-facts" when we approve or disapprove an appeal.

Mr. Hockensmith attended the September meeting to assist the Board in dealing with an appeal and to clarify when Board members should recuse themselves to avoid inviting lawsuits. Because a number of Board members did recuse themselves from the upcoming appeal, the Board added three alternates, bringing the number of alternates on the Zoning Board of Adjustment to five.

In other business, the Board submitted a number of articles to The Walpole Clarion. The purpose of the articles was to help town residents understand the role of the Zoning Board of Adjustment in Walpole.

This year the Board approved a Special Exception in the rural/ag district for an electrical business, signage for an art gallery on Prospect Hill Road, a temporary and a permanent sign for a storage business on Route 12, and an Expansion of a Non-Conforming Use for a shed on Elm Street.

The ZBA hopes you'll visit the Town Hall and check out the colorful new Zoning Map of Walpole. The map was originally created by Antioch University students in 2012. Antioch professor Peter Palmiotto was instrumental in helping the Board to update the original map to accurately depict our current zoning districts.

Respectfully Submitted,

Jan Galloway-Leclerc
Chair, Zoning Board of Adjustment

PLANNING BOARD

A subdivision and/or site plan was on the Planning Board agenda every month of 2022.

The Board approved a site plan for a day care center in Maplewood Circle. The Selectboard will follow up on the residents' complaints about the cars exceeding the speed limit. Other business included the approval of a 2-lot subdivision on Barnett Hill, a 5-lot subdivision off of County Road, lot-line adjustments on Flat Street and Colonial Drive, a recommendation for a special exception for an electrical shop on March Hill Road, an approval of 3 residential apartments in the Potato Barn, and an extension of the Walpole Creamery which would put the building in compliance with setback requirements.

Workshops on updating the Master Plan started almost two years ago in 2020 but kept being interrupted by COVID restrictions. At that time, work was completed on Population and Housing, Implementation and Transportation chapters. Throughout 2022, the Board on their 4th Tuesday workshops sessions worked on the Land Use Analysis, Economic Development, Community Development and Recreational Facilities chapters. In 2023, work will begin on the Natural Resource chapter.

Liberty Utilities twice requested tree trimming and removal on Walpole's two scenic roads, Old Drewsville Road and Farnum Road. The requests were approved with the condition that all old utility poles be removed.

Dunkin Donuts proposed a new drive-up and dine-in building just south of Dollar General on Route 12. This proposal also brought to light that so-called condo land subdivisions had to meet the Town's requirements for road frontage and lot size, just a normal subdivision would. The site plan and subdivision proposal are still pending a Planning Board decision.

Respectfully submitted,

Jeffrey Miller Chair, Walpole Planning Board

CEMETERY TRUSTEES

Walpole Cemeteries: Village Cemetery, Old Cemetery, New Cemetery, Carpenter Hill Cemetery, and Drewsville Cemetery

Trustees: Linda Edkins; John Sheldon; Dale Woodward, Chair

The Walpole Cemetery Trustees are responsible for the five cemeteries of Walpole: Old, Village, New, Drewsville and Carpenter Hill. We continue to contract with Tip Top Landscaping for care of the cemeteries and continue to remain pleased with the care given to the cemeteries.

Cemetery lots are now being sold in Section E, as few lots are available now in Section D

Discussions began in 2022 about adopting procedures for green burials in Walpole, also known as natural burials. It is defined as a burial where the body is placed in the grave without a vault, traditional casket, or chemical embalming. A shroud or biodegradable casket is used to assure the burial site remains a natural body to earth burial.

Our Cemetery By-Laws will need revisions to allow for green burials. A section in the cemetery, devoted to green burials, will most likely have to be established. We do have opportunities in the New Cemetery area for this. Mixed burials will be investigated.

We extend our appreciation to the Selectboard and the Selectboard Office staff for all their support throughout the year.

The Trustees look forward to your comments regarding the Town cemeteries.

Respectfully submitted for the Trustees,

Dale Woodward Trustee Chair

OLD HOME DAYS COMMITTEE

Thank you to the organizers, sponsors and participants who made the 2022 Old Home Days a fun and memorable event.

WALPOLE PLAYERS

The Walpole Players began 2022 with their annual production of Cabin Fever Radio Follies to the delight of audience members and cast members alike. Directed by Judy Epstein and Meg Kupiec, it proved a fun evening of comedy and suspense reminiscent of the golden days of Radio from the 1940s and '50s.

This year also saw the long-awaited return of Old Home Days for which the Players reprised one of their earliest plays, Alan Bennett's *The Wind in the Willows*. First produced by the Players in 1993 and directed by Jane Skofield, this year's

production was dedicated to Jane, who passed away in the fall of 2021. With actors of all ages, a cast of almost 40 (with several cast

members taking on two or more roles), an orchestra of 12 musicians,

this was one of the largest productions the Players have ever undertaken. To the delight of many, several cast members who had been in the 1993 production reprised their original roles.

In the Fall, the Players produced Mike Wright's "Hansel and Gretel."

Perfect for the Halloween season, this show highlighted the talent of several of our younger Players, and played to a sold out house at two performances!

Closing out the year in December, the Players were unable to produce our usual evening of Holiday entertainment. Instead, our "No Show Dinner Theater" still provided community members a chance to donate to our annual fundraising efforts for The Fall Mountain Food Shelf and Our Place Drop-in Center and enjoy a relaxing evening of music and dancing at the Helen Miller Theater. Although there was no theatrical entertainment that evening, thanks to the generous people in our community the Players raised almost \$2500, which was divided between the two organizations.

32 Main Street, P.O. Box 292, Walpole, NH 03608 603-756-3449 www.WalpoleHistory.com

The Walpole Historical Society is a member-supported volunteer organization, founded in 1930, which strives to collect, preserve, and communicate the heritage of our community. We welcome the participation of everyone who would like to be involved in our activities.

Our museum, at 32 Main Street, a notable presence in heart of the village of Walpole, is the site of many of our activities. In 2022, our museum was open to the public on Saturday afternoons from August into October. Each of these Saturdays featured one of a variety of special presentations: walking tours highlighting the architectural history of Walpole, explorations of our museum building, discussions of items in our amazingly varied collections – from walking sticks and fans to wallpapers and photographs. These well-attended "Museum Talk" Saturday programs proved to be a popular and informal way to introduce our collections and activities to many Walpoleans and town visitors.

We concluded the year with a sold-out public concert featuring our 1790s Bellows-Alcott pianoforte. The performance, in November at the Walpole Unitarian Church, was the culmination of several years of professional restoration, supported by the contributions of many in our community. The pianoforte, with a history both specific to Walpole and reverberating far beyond, was restored to beautiful and playable condition. Composermusician Ben Cosgrove gave the pianoforte its reintroduction to the world and its twenty-first century debut in spectacular fashion.

The Walpole Historical Society welcomes your support, your

membership, your volunteer time, and your suggestions. Please visit us at www.WalpoleHistory.com for more information.

WOMEN of WALPOLE

A civic group of women who raise money for worthy undertakings that benefit the community of Walpole. WOW welcomes any woman who works or lives in Walpole. WOW members enjoy opportunities for enrichment, education, and friendship with other Walpole women.

WOW meets once a month from September through May at 2pm in members homes. Twice a year we hold an evening meeting. Yearly dues are \$35.00.

Recent charitable recipients include

- Town Hall and Library Holiday Wreathes
- Giving Tree Project
- Walpole Elementary school afterschool snack program
- Walpole Middle School Dance program
- Christmas gifts for client of MCVP Crisis & Prevention Center
- Middle Street Garden
- Hooper Institute
- River Valley Seniors
- Fall Mt. Friendly Meals

Additionally, we maintain the Nancy Shepard Garden on Middle Street. Please look for lovely Spring plantings.

WOW has a new compassion liaison who will visit members and their families during illness or other struggles. Please contact Margie if you know a member in need of a compassion visit or a little extra help with an errand or at home.

For more information on the Women of Walpole, please call Susan Johnson at 603-313-4018 or pete_suejohnson@verizon.net

WALPOLE SENIORS

We have been unable to meet together during this pandemic. We miss seeing everyone and I am hoping that soon we can get back together in the spring.

We meet on the third Monday of each month. We begin with a covered dish lunch, have a program and end with a business meeting. Most importantly, we have fellowship. We meet at the Congregational Church by the Common. There is a \$2.00 dues for each month that we collect which pays for rental of the building, and other things that are important to us. This is not a church program; we rent the Fellowship Hall. We always welcome new members that are residents of Walpole, Drewsville, and North Walpole Village. For more information, you may call me at 603-904-4016.

COME JOIN US!!! Carole Hill

WALPOLE COMMUNITY GRANGE

The Walpole Grange #125 has had an ongoing presence in Walpole since 1887. We meet on the third Tuesday of every month at 7:00pm at the Walpole Town Hall. Three of our members are State Grange Officers and one is a member of the executive committee of the National Grange.

The National Grange was formed on December 4, 1867 to promote the teachings of agriculture, economic, educational, social, and political interest of America's farm families and the rural communities that they live in. It was the first organization to give women an equal voice, vote and rights with men (1867), more than 50 years before the passage of Universal Suffrage. Your everyday life is affected by the legacy of the Grange. The legacy of the Grange spans from lobbying local, state and federal government agencies for issues that are important to the community and individuals. The Grange is credited for the Rural Free Delivery program in the United States Post Office. If you appreciate Rural Free Mail Delivery, rural telephones, Interstate Highway System and NH State Police, and other basic advances in the quality of rural life over the 152 years, then you have enjoyed some of results of the Grange's advocacy for the rights of rural citizens.

The Grange Membership and interest extend beyond its farming roots to include individuals from all walks of life interested in the community they live in. We provided our Harvest Dinner, in takeout style. We are looking forward to our usual community activities this year.

- Walpole Grange Leadership Academy-trains next generation of town leaders
- Coffee with a Cop
- Annual Community Awards Night-where we honor outstanding public service
- Meet the Candidates Night-introducing individuals running for town offices
- \$500 scholarship to a graduating senior who is pursuing advanced education in the field of agriculture.
- Feeding Walpole/North Walpole poll workers during the elections
- Partnered with the Quilts of Valor to recognize veterans with a quilt to represent the comfort they give to us.

The Grange always looks for ways of being involved in helping the Walpole community.

If you would like more information about the Grange, check out these two websites: www.nationalgrange.org and www.nhgrange.org.

For more information about our Walpole grange #125, you can contact Master (President) Adam Terrell at 903-4113 or c.ssquirrl@gmail.com

Adam Terrell, Master Walpole Grange #125

HOME HEALTHCARE HOSPICE & COMMUNITY SERVICES

In 2022, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Walpole. The following information represents HCS's Community Services activities in Walpole during the past twelve months.

Service Report

Services Offered	Services Provided
Nursing	419 Visits
Physical Therapy	102 Visits
Occupational Therapy	56 Visits
Medical Social Work	69 Visits
Home Health Aide	73 Visits
Healthy Starts Well Child Services	58 Hours

Other services are also available to Walpole residents are:

- Hospice end of life care at home, and bereavement support for family members.
- **Palliative Care**
- Castle Center Adult Medical Day Care for those who need assistance during the day and respite for family caregivers.
- Family Resource Center for additional resource information and support for pregnant women and young families.
- Kinship Navigator for grandparents who are custodial parents for grandchildren.
- Foot Care Clinics, including foot assessment and nail care.

For information about services, residents may call (603) 352-2253, visit www.HCSservices.org, or drop in to Walk In Wednesday on the first Wednesday of every month between 1:00PM and 3:00PM at our office at 312 Marlboro Street in Keene.

Financial Report

The actual cost of all services provided in 2022 with all funding sources is \$177,005.00. These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

Thank you for your support of home care services.

Sincerely,

Susan Ashworth **Director of Community Relations**

BELLOWS FALL AREA SENIOR CENTER & MEALS ON WHEELS

It has been another exciting and successful year for the Center!

A daily average of 47 Meals-on-Wheels and 15 congregate meals were served which translates into 16,000+ meals for the year.

The center delivered 1699 Meals on Wheels to Walpole and North Walpole residents. Our dedicated volunteers donated over 2700 hours of in-kind service.

Activities and services remained constant. The center hosts six Bone Builders courses weekly, taught by GMRSVP volunteers. We now offer three weekly Tai Chi for Fall Prevention classes. Ongoing activities also include Bingo, Cribbage, Card Games, Knit & Stitch, Line Dancing and a full circuit gym. Special events include numerous 3Squares, fuel assistance and Vermont Foodbank presentations. We held monthly day trips, birthday celebrations and well attended holiday luncheons.

Our major fundraising efforts included the Annual Appeal Letter.

This year we are excited to resume our Holiday Bazaar in December.

We do not charge any membership fees. Our local seniors are free to take part in any of our numerous activities.

Because of your generosity and ongoing support, the center is able to continue its mission of serving our senior community.

With appreciation,

Teagen Kosut Executive Director

COLD RIVER LOCAL ADVISORY COMMITTEE

The Cold River Local Advisory Committee (CRLAC) functions to advise the towns of Acworth, Alstead, Langdon, Lempster, and Walpole, New Hampshire on the protection and enhancement of the Cold River and its tributaries and maintenance of the health of the river environment. The group did not meet in 2022.

CRJC WANTASTIQUET SUBCOMMITTEE

The Wantastiquet Subcommittee of the Connecticut River Joint Commissions (CRJC) meets every two months and consists of up to two volunteers nominated by riverfront municipalities, with allowance for alternates. Throughout 2022, the Subcommittee has maintained a hybrid meeting format where a quorum of participating municipalities is required to be present in person. Current members of Vermont are Kathy Urffer and Michael Fairchild from Brattleboro, Andy White from Vernon, Jim Calchera from Westminster, and openings in Putney and Dummerston. Current members of New Hampshire are Roland Volbehr from Chesterfield, Mike Darcy from Hinsdale, Samantha Loch from Walpole, and Perry Sawver

from Westmoreland. Those with one representative have an opening for a second volunteer. During 2022, Perry Sawyer from Westmoreland served as chair. Meetings and events are open to the public.

Wantastiquet is one of the five subcommittees a part of the CRJC since 1989. The Subcommittees provide a local voice to help steward the resources on or affecting the Connecticut River, particularly on topics related to the maintenance of good water quality and wildlife habitat. Specific responsibilities include providing feedback on river-related topics to NH Department of Environmental Services, VT Agency of Natural Resources, and municipalities. Feedback covers comments on proposed permits and plans and maintaining a bi-state corridor management plan.

During 2022, Wantastiquet engaged on several issues. Permits that were reviewed include an alteration of terrain permit in Walpole, ACT250 permit in Dummerston, stormwater discharges in Westminster, and a fish passage settlement for the relicensing of Vernon Dam. Wantastiquet also kept track of River impacts at the new Putney rowing club and a chemical discharge due to fire in Brattleboro.

Wantastiquet also supported outreach efforts in service of the Connecticut River, including a virtual speaker series (see www.crjc.org/riverwide) that delved into conversations on the local river recreation economy, stormwater retrofits, native American history & current experiences, and human & beaver dams. Further, Wantastiquet supported water quality monitoring efforts at six sites along the Connecticut River.

In 2023, Wantastiquet will continue their activities in management, outreach, and learning for the Connecticut River. Wantastiquet welcomes local participation in permit reviews, educational events, watershed planning, and water quality monitoring. If you are interested to learn more, please contact us at info@crjc.org.

CONNECTICUT RIVER JOINT COMMISSIONS

The Connecticut River Joint Commissions (CRJC) is a bi-state organization dedicated to helping preserve the visual, ecological, and working landscape of the Connecticut River Valley while encouraging and maintaining economic viability throughout.

With its full commissions board and its five Local River Subcommittees (LRS), more than 60 volunteers regularly engaged in the CRJC mission during Fiscal Year 2022 (FY22) or July 1, 2021 through June 30, 2022. We are pleased that both Vermont and New Hampshire have again agreed to fund and sustain the CRJC. The CRJC acknowledges the funding assistance of the New Hampshire Charitable Foundation and the Vermont LaRosa Partnership to advance the year's water quality monitoring by CRJC.

During FY22 the CRJC Commissioners specifically engaged in the following activities through research and proactive engagement of local and state stakeholders from both states:

- Bi-state interaction on water quality conditions and data gaps of the Connecticut River
- FERC hydro-power dam relicensing for the Vernon, Bellows Falls, and Wilder stations
- Climate migration in the Connecticut River Valley
- Series of virtual expert presentations on watershed management topics
- Public meeting laws that support CRJC functioning

In the coming year, the CRJC will:

- Continue to make improvements to CRJC communications to be accessible and informative
- Convene bi-state staff and stakeholders to discuss collaborative management of the Valley
- Advance activities on water quality priorities with state partners and each LRS
- Convene stakeholders to gather input for the Tactical Basin Plans in Vermont
- Produce a New Hampshire Biennial LRS report

If you would like more information on any of our projects, or if you are interested in assisting us, please e-mail us at info@crjc.org. For general information on the CRJC see https://www.crjc.org/
